

Electric Motors

—FOR—

PRINTING OFFICES

An Electric Motor is the ideal power. We offer Motors of the best class at lowest rates, ranging from \$60 for a Half Horse Power up to \$500 for Eleven Horse Power.

We have used Electric Motors in our Foundry for over two years, running constantly 55 hours per week, and have not expended \$5 for repairs.

Write for prices, stating power required, voltage of current to be used, and whether supplied by street car line or otherwise.
