

L'ANNONCE TIMBROLOGIQUE

Is now in its *fourth* year, and gives each month from twelve to sixteen *large* pages.

It has subscribers in all parts of the world, and is the organ of the three most important Belgian societies (Cercle Timbrophile de Liège, Société Anversoise de Timbrologie, Fédération des Philatelistes Belges), and also of a French society (L'Union des Echangistes). Advertisements are thus read by the greater part of the Belgian collectors, giving to dealers every guarantee of wide publicity. Collectors will also find numerous advantages, for the List of Exchanges which regularly appears in the *Announce Timbrologique* is the most complete that exists, containing only the addresses of its subscribers, who have the right of inserting an advertisement of four lines under this heading free.

In spite of its name the *Announce Timbrologique* gives also in each number at least eight pages of reading matter, consisting of original articles of interest to Philatelists and the Collectors of Journals, Notes, New Issues, Poetry, Society Reports, Reports of London and New York Auctions, etc., etc.

A specimen number will always be sent on receipt of a reply post card or a letter card.

Annual subscription for all countries, 2 frs. Advertisements: 1 page, 25 frs.; 1/2 page, 15 frs.; 1/3 page, 10 frs.; 1 column, 10 frs.; 1/2 column, 6 frs. 50c.; 1/3 column, 4 frs. 50c.; each line, 25 centimes. A discount of 50% allowed on all advertisements repeated twelve times
