**CATARRH: A NEW TREATMENT.**

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. **A. H. DIXON & SON,** 305 King Street, west, Toronto, Canada and enclose stamp for their treatise on Catarrh.—*Montreal Star*

**Scientific and Useful.**

**STOVEPIPES** can be cleaned by putting a piece of zinc on the coals of a hot fire. The vapour produced carries off the soot by chemical decomposition.

**QUEEN'S TOAST.**—Beat an egg and stir it into a cup of milk. Dip slices of stale bread in this mixture, and fry quickly. A stale loaf of bread, dipped quickly into cold water, then baked for half an hour, is better than when fresh.

**SURE CURE FOR RHEUMATISM.**—If the system is properly cleansed by some medicine that acts upon the bowels, kidneys and skin, such as Burdock Blood Bitters, and the sufferer will use Hagyard's Yellow Oil according to directions, there are few cases of rheumatism, however bad, but will yield promptly to the treatment.

**WHIPPED RASPBERRY CREAM.**—Beat the whites of two eggs to a stiff froth with four tablespoonfuls of powdered sugar and add four tablespoonfuls of preserved (or canned) raspberry juice. Beat until it is very stiff. Lemon flavouring may be added if desired.

**DUCHESS POTATOES** are usually served with fish, on the same plate. They are little cakes of mashed potatoes. Take four steamed potatoes and mash them with an ounce of butter, the yolk of egg and salt. Spread on a pie plate, brush over with the yolk of an egg mixed with a spoonful of milk, cut in pieces of any shape, take up the pieces with a knife point, place them on a greased baking-pan and bake a nice colour on top.

**AN OBSTINATE CASE.**—"In the spring of '83 I was nearly dead, as everybody around my neighbourhood knows. My trouble was caused by obstinate constipation. One bottle of Burdock Blood Bitters cured me entirely." This statement is made by **Walter Stinson,** of Gorrie, Ont.

**LEMON SAUCE.**—Take one cupful of sugar, half a cupful of water, the rind and juice of two lemons, the yolks of three eggs. Boil together the sugar, water, lemon juice and grated rind for twenty minutes. Beat the yolks of the eggs. Put the basin containing the boiling syrup in another of boiling water. Stir the yolks of the eggs into this, and beat rapidly for three minutes. Take up the saucepan and continue the beating for five minutes, then serve.

**APPLE MOULD.**—Peel, core, and slice two pounds of good cooking apples. Put them into a saucepan with a pint of cold water, one pound of moist sugar, and an ounce of isinglass. Let all boil gently until the apples fall, and become quite a pulp; then beat them until perfectly smooth. Add a few drops of vanilla, or lemon flavouring, and a teaspoonful of liquid cochineal to improve the colour. Oil a pretty mould, pour in the apple mixture, and set it to stand in a cool place over night. Turn it out on a glass dish and serve with custard, whipped cream, or just simple cream, and sifted white sugar.

**SPRING CLEANING.**—The season of spring cleaning approaches. Dreadful and dreaded it is in many a household. Yet with a little care and abundant coolness of temper it can be all done successfully and without a panic or a revolution. To see some houses during the spring cleaning period, one would suppose that either a deluge or a volcanic eruption or an earthquake had been at work. Everything is at sixes and sevens, everybody is uncomfortable, and the agony is prolonged beyond endurance. Such a state of affairs need not be. Let the annual campaign be well planned beforehand. Let the work be done by instalments, say one room at a time. A general overhauling of closets and storerooms as a commencement of the house cleaning will be a wise step. Let all unnecessary articles be disposed of, and if this plan is carried out from the uppermost attic to the extreme corners of the cellar, so much the better. There are houses in which the usual cleaning is done so quietly and systematically, so entirely without excitement or worry, that no one is the worse for it. It might be so in many more households.

**CONSTIPATION.**

There is no medium through which disease so often attacks the system as by Constipation, and there is no other ill flesh is heir to more apt to be neglected, from the fact material inconvenience may not be immediately felt from irregular action of the bowels. When there is not regular action the retention of decayed and effete matter, with its poisonous gases, soon poisons the whole system by being absorbed into it, causing piles, fistula, headache, impure blood, and many other serious affections. Burdock Blood Bitters will immediately relieve and one bottle positively cure or relieve any case of Constipation.

"Was troubled for a year with torpid liver and indigestion, and after trying everything imaginable used Burdock Blood Bitters. The first bottle revived me, and the second cured me entirely." —**J. S. Williamson,** Rochester, N. Y.
