A BRIDE'S CONFESSION

"Yes, dear, I am married now, and George and I are keeping house in the lowest flat on the St. West. We did get married somewhat suddenly. My health, you know, had for some time been very delicate, and Dr. Heery told mamma that he feared I would follow poor, dear sister Belle, who died three years ago from a wasting disease. Dear George was almost crazy when mamma told him what the doctor said, and I nearly cried my eyes out, but one day I overheard that 'hateful Nelly Parker say to her mother, 'I think that George Hamilton is just what I need, and when the girl gets engaged to die, and the girl is dying of a galloping consumption. I'm going to step in to her shoes and become Mrs. George Hamilton; now just you wait and see.' This spring I noticed George from a waiting disease. Dear George was almost never by my side, and the thought that that deceitful hussy might get him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderfully invigorating effect of Dr. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just called for Europe on business for his firm. On Sept. 18 he returned. I was from the use of the Wafers, by that time again a well woman, and so enraptured was I with my health and robust appearance that he insisted we get married the very next day. I could not say him nay, and as you will see by my card, I am now Mrs. George Hamilton. Do call soon and let me introduce George to you; I am sure you will like him. He is so handsome, and as good as he is handsome. Good-by; be sure not to forget."

THE DEY OF ALGIERS!
The SHAH OF PERSIA and the SULTANS OF TURKEY and MOROCCO now PATENT and BEAUTIFY their harems exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.
"The Shah found his harem in a state of disorder on his return to Persia."—N. Y. World, Oct. 12, 1889.
Reason—Their supply of CAMPBELL'S WAFERS was exhausted.
ILLUSTRATIVE of the desirability of a certain amount of Plumpness, rumour has it that the above distinguished Oriental Potentates make it a practice to WAFER their wives regularly once a month, precedence in rank and Imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

Allen's Lung Balsam
Coughs, Colds, Croup.
Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs. ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced Cough CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.

Household Hints.
CHOCOLATE CAKE.—One cupful of butter, two cupful of sugar, three and one-half cupful of flour, three teaspoonsful of baking powder, one scant cupful of sweet milk and five eggs, leaving out the whites of two; bake in a dripping pan, and when nearly cool pour on the frosting made of the whites of the two eggs, one and one-half cupful of sugar, two teaspoonsful of vanilla and six tablespoonsful of grated chocolate beaten together.
AN English Chemist writes:—**BROWN'S BRONCHIAL TROCHES** are most useful, and I never knew an article so universally well spoken of and gain such rapid notoriety before. Those who are suffering from Coughs, Colds, Hoarseness, Sore Throat, etc., should try them. Price 25 cts. a box.

TAPIOCA PUDDING.—Take six table-spoonsful of tapioca and soak it in milk for some hours before you intend to use it. When you are going to make your pudding put the tapioca into a quart of milk, place it on the fire, and as soon as it boils sweeten to your taste and let it simmer for a quarter of an hour. Pour it into a basin and stir in a little fresh butter and three eggs well beaten. Bake one-half hour.

W. C. POTTER, of Waterford, N. Y., was confined to his house for nearly a year from a complaint, being unable to attend to business. His physicians gave him no relief. **WISTAR'S BALSAM OF WILD CHERRY** cured him.

BRAN SOUP WITHOUT MEAT.—Parboil one pint of beans, drain off the watery and add fresh, and let boil until tender, season with salt and pepper, add a piece of butter the size of a walnut, or more if preferred; when done skim out half the beans, leaving the broth and the remaining half of the beans; now add a teaspoonful of cream or rich milk, a dozen or more crackers broken up; let it boil up and serve.

WORMS CAUSE NERVOUS SICKNESS. Dr. Low's Worm Syrup destroys and expels all kinds of worms quickly and surely.

SALLY LUNN.—Beat the yolks of two eggs light and add one-half cup of milk or water. Stir this slowly into one pint flour mixed with two teaspoonsful Cleveland's Superior Baking Powder and one-half teaspoonful of salt. Add one-half cup melted butter and stir in the beaten whites last. Bake in muffin pans two-thirds full.

CREAM CANDY.—Place a large cupful of white sugar and three teaspoonsful of water in a porcelain kettle and let it boil until a drop dropped into a cup of cold water will harden. The moment it will do this add a teaspoonful of vanilla and one-half teaspoonful of cream tartar; pour into a buttered dish, and when cool work until perfectly white; cut in squares and set away to cool.

DR. S. L. WILLIAMS, Clarence, Iowa, says: "I have used it to grand effect in a case of neuralgic fever, and in uterine difficulties. Also, in cases where a general tonic was needed. For a nerve tonic I think it is the best I have ever used, and can recommend it most confidently."

MACARONI WITH CHEESE.—Prepare macaroni with cream sauce, and pour into a buttered scalloped dish. Have half a cup of grated cheese and half a cup of bread or cracker crumbs mixed; sprinkle over the macaroni and place in the oven to brown; it will take about twenty minutes.

PALE, WEAK WOMEN need a tonic, strength-giving, flesh-building, medicinal like **Milburn's Beer, Iron and Wine.**

FRYING BANANAS.—Cut eight bananas into halves through their length, dip them in a paste made from three eggs, six ounces of flour and a little water to make it smooth. It must be sufficiently solid to adhere to the bananas; add a half-teaspoonful of soda, mix thoroughly with your paste, dip the bananas in and fry them in hot lard, and when coloured a bright yellow, drain, sprinkle them with sugar and serve.
ALLEN'S LUNG BALSAM—Is the great modern remedy for Coughs, Colds, Consumption, Asthma, Croup and Bronchitis. It is recommended by physicians everywhere, who are acquainted with its great usefulness.
BEEF RISsoles.—Chop fine some cold roast beef, season it well with salt and pepper, and to each half-pint of this add a table-spoonful of chopped parsley and a half-cup of bread crumbs, then add two whole eggs, and work the mixture to a smooth paste. Form into round balls, dip in egg and then in bread crumbs, and fry in smoking-hot fat. Serve with a nice, brown sauce poured around them.
Milgard's Liniment cures Rheumatism, etc.

"Purity—Strength—Perfection."
CLEVELAND'S SUPERIOR Baking Powder
ABSOLUTELY THE BEST.

All the ingredients used in making this Powder are published on every lab. The purity of the ingredients and the scientific accuracy with which they are combined, render Cleveland's superior in strength and efficiency to any other baking powder manufactured.
Food raised with this Powder does not dry up, as when made with baking powder containing ammonia, but keeps moist and sweet, and is palatable and wholesome. Hot biscuit and griddle cakes made with it can be eaten by dyspeptics with impunity.
It does not contain ammonia, alum, lime or other adulterant. These are facts, vouched for by Government and State Chemists, Boards of Health, and eminent scientists.
