—:O:—

REPORT OF THE BOTANICAL BRANCH, 1890.

To the Council of the Ottawa Field-Naturalists' Club.

LADIES AND GENTLEMEN,—The leaders beg to report that active work in this branch has been maintained in a satisfactory manner throughout the season. Fresh plants have been added to the *Flora Ottawensis*, and good work has been done by new botanists in confirming past records and discovering new localities. Many of these have already been recorded in the *Flora* now being published as a supplement to the OTTAWA NATURALIST. This work which has been of considerable assistance to beginners, will, we trust, be finished early next year. Efforts have been put forth by the leaders at the General and Sub-excursions to make their branch popular and useful to all who attend those meetings. The addresses have been attentively listened to, and the interest shown has been very encouraging. One of the series of Sub-Excursions to the Geological Survey Museum, which have been such an instructive feature of the Club's work during this winter, was ably conducted by Prof. MacCoun. The leaders
