

### After the Grip

I was in a dreadful state, weak and miserable. Doctor said I had Bright's disease. My kidneys were in dreadful condition. I read about Hood's Sarsaparilla and decided to give it a trial, thinking at the time it was not much use as nothing helped me before. But, thank God, I got relief after the first bottle. I kept on taking it and used five bottles; am now a cured man; never felt better. I owe my life to Hood's Sarsaparilla. **JOSHUA SMITH, 231 Market Street, Brantford, Ontario**

### GEMS OF THOUGHT.

Spirits of turpentine will take grease or drops of paint out of cloth. Apply it till the paint can be scraped off.

Tar can easily be removed from clothing by immediately rubbing it well with clean lard, and then washing out with warm water and soap.

If soot be dropped upon the carpet, throw upon it an equal quantity of salt, and sweep all up together. There will be scarcely a trace of soot left.

Turpentine and black varnish is the blacking used by hardware dealers for protecting stoves from rust. If put on properly it will last through the season.

Put French chalk or magnesia on silk or ribbon that has become greasy, and hold it near the fire. This will absorb the grease so it may be brushed off.

Iron rust may be removed from marble by taking one part of nitric acid to 25 parts of water, and applying it carefully to the spots. Rinse off ammonia and water.

To make good mucilage without using gum arabic, take two parts of dextrine, five parts of water and one part of acetic acid. Dissolve by heating, and add one part of alcohol.

For solder, take a mixture of two parts of tin to one part of lead. For a soldering fluid, dissolve zinc in muriatic acid, then add a little sal-ammoniac, and dilute it with a little water.

To clear marble, mix whiting with common soap, till thick as paste. Spread it on the marble and leave it for a couple of days. When the paste is cleaned off the stains will also be removed.

A carpet, especially a dark one, often looks dusty directly after sweeping. Wring a sponge almost dry out of water, and wipe off the dust from the carpet. It will brighten it quite effectively.
