

Tussock Moth, the Cottony Maple Scale, the Pea Weevil, the San José Scale and other insects of economic importance. A paper was also read by Prof. Sherman on "the Entomological Conditions in North Carolina."

In the evening a public meeting was held in the Massey Hall, and was largely attended by the members, students and visitors. President Creelman welcomed the Society to the Ontario Agricultural College, and gave an outline of the different departments of practical work in it and the affiliated Macdonald Institute. Mr. Barlow, of Guelph, also welcomed the Society on the part of the Wellington Field Naturalists' Club, of which he is President, and described the doings of the Club in the past and the investigations to be carried on in the future, the object being to make a complete survey of the fauna and flora of the County of Wellington. Dr. Fletcher, the Chairman, replied in happy terms, and then introduced Prof. John B. Smith, who gave an admirable and most interesting address on "What has been tried in New Jersey for the extermination of Mosquitoes." The lecture was illustrated with a large number of lantern slides, and in the course of it a very lucid explanation was given of the conveyance of malarial disease by the agency of mosquitoes. At the close a very hearty vote of thanks was given to Dr. Smith, proposed by Mr. C. C. James and seconded by Rev. Dr. Fyles.

During the second morning, Thursday, October 19th, papers were read on a variety of subjects by Dr. Fyles, Messrs. Gibson, Jarvis, Lyman, Stevenson and Zavitz, and were discussed by many of those present. In the afternoon the officers for the year 1905-6 were elected, and papers were read and addresses given by Mr. Evans, Prof. Sherman, Mr. Lyman, Dr. Fyles, Mr. J. B. Williams, Mr. Gibson, Dr. Fletcher, Mr. J. F. Smith, Prof. McCready, Prof. Lochhead, Dr. Bethune, Prof. Hutt, President Creelman, Mr. C. W. Nash, Mr. Clew. A cordial vote of thanks was given to President Creelman and the staff of the Agricultural College for their kindness and hospitality, and to the reporters of the *Toronto Globe* and the *Guelph Herald* and *Mercury* for their excellent accounts of the proceedings.

During the meetings a large number of rare and interesting specimens were exhibited by Prof. Sherman, Dr. Fletcher, Mr. Gibson, Dr. Fyles, Mr. Lyman, Mr. Jarvis, Mr. Zavitz, and a large case of most beautiful Micro-Lepidoptera, about 1,500 in number, by Mr. C. H. Young.

The following is the list of officers elected :
