CANADIAN MEDICINES.

FOR THE

CANADIAN PEOPLE

AT THE

NEW MEDICAL AND DENTAL ESTABLISHMENT,

IN

Elgin Buildings, 55 Yonge Street,
TORONTO.

DRS. RUSSELL AND FOWLER

HAVE received from the Country a supply of **ROOTS, HERBS, SEEDS &c.**, from which they have prepared in their own Laboratory a number of **CURATIVE COMPOUNDS**, according to the most approved Eclectic Formula.

It is not intended that these Remedies should supersede the necessity of every family having its own experienced Medical Adviser, in whom implicit confidence should be placed; they are rather designed in some measure to provide a safe and an efficient substitute for many of those secret and foreign nostrums with which the country is flooded, and the unadvised use of which has done much harm.

Every intelligent person must be aware that no medicine can be so general in its application as to be able to control even the same disease under different temperaments and conditions; in dispensing these remedies, therefore, Drs. Russell and Fowler will be ready to afford adequate advice as to their proper use without extra charge. Ordinary directions will be printed on the label of each bottle or package.

THE CORDIAL,

This compound contains no Opium yet it will ease pain and promote moderate perspiration. It is good for delicate females as well as restless children, removing Flatulence and Wind Cholice, and it is also very useful in Hysterics and Nervous Affections generally.

DR. RUSSELL'S CHOLERA MIXTURE.

This preparation is an excellent antidote against Cholera in any form. It speedily arrests bowel complaints by restoring the natural functions of the alimentary canal so liable to be deranged during the summer months.

ANTIBILIOUS PILLS,

This is a very excellent purgative in all ordinary complaints, it acts on the bowels effectually without producing debility or leaving them in a costive state.—Two or three taken at bed-time.

ANTISPASMODIC AND AGUE DROPS,

This is a powerful medicine for arousing the vital energies to throw off disease—such as Spasms, Fits, Suspended Animation from Lightning, Drowning, &c. Taken in conjunction with the Ague Powders it affords in most cases a certain remedy for Fever and Ague.

AGUE POWDERS,

For a common case of Intermittent Fever these Powders, during the Intermission will be found quite sufficient of themselves to cure the disease.

TONIC DROPS,

This is an excellent Preparation for Female Debility, Dyspepsia, &c.

COUGH MIXTURE,

This preparation is very beneficial in loosening a hard Cough and promoting expectoration. Try it.

NERVOUS MIXTURE.

This is good for delicate females—Fainting, Hysterics and all Nervous diseases.

Diuretic Drops,

These Drops are good for Scalding Urine whether arising from Gonorrhoea or other disease. In irritability of the Bladder and the Whites they have been found to afford prompt relief.

THE ANTISCROPHULOUS PANACEA.

This preparation has been well tested and can be recommended as a certain cure for Scrophulous sores in conjunction with the Healing Ointment.

THE HEALING OINTMENT

This is an elegant salve for healing Burns, Scalds, and Ulcers. Spread thinly on a piece of linen and apply Morning and Evening.

Rheumatic Liniment,

To Rheumatic Pains of a local inflammatory character this Liniment affords speedy relief. It is a good application in Quinsy, White Swelling, Inflamed Breasts, &c.

NERVOUS PILLS,

These Pills are invaluable in Neuralgia and all painful Nervous affections—being devoid of Opium they have rather an aperient than a constipating effect.—One or two every two hours, or as it may be necessary.

DIAPHORETIC POWDERS,

This is a valuable Anodine and Diaphoretic. It promotes perspiration without increasing the heat of the body or the rapidity of the circulation. It will generally be found superior to the Dover's Powder.

THE RINGWORM OINTMENT.

Dr. Russell has cured several cases of Tinea Capitis and other inveterate diseases of the Scalp with this Ointment.

GOUT AND RHEUMATIC DROPS,

This is a powerful compound of Botanic Elements. It purifies the blood and is one of the best remedies that can be employed in some cases of Asthma and Chronic Pulmonary complaints.

Drs. R. and F. have also prepared

MEDICATED SOAPS

For the treatment of inveterate Skin Diseases, to which they would call the attention of those who may be so afflicted.

The Epedermoid Solution,

Valuable for cuts and burns as prepared by Drs. Russell and Fowler, if applied to fresh cuts or burns will effect a cure without any further dressing or trouble, it supplies the loss of the skin occasioned by a cut or burn excluding the air and throwing a perfect waterproof covering over the parts affected, which may be washed without injury.

ALL OTHER MEDICINES OF THE BEST QUALITIES ALWAYS ON HAND.

N.B.—Orders from the Country punctually attended to.

Drs. Russell & Fowler can be consulted at all hours.

NOTICE TO DENTISTS.

Drs. Russell & Fowler have been appointed agents for the sale of the most approved kinds of Artificial Teeth, both of American and English Manufacture; also Gold and tin foil, and Dentists materials generally.

FOWLER'S PRESERVATIVE SOLUTION FOR THE TEETH AND GUMS.

If more attention was paid to the preservation of teeth there would not be so much necessity for those expensive artificial contrivances with which the modern Dentist endeavors to supply the place of nature's own beautiful productions.

Toronto, June 5th, 1851.
