THOS. THOMPSON & SON.

An Arctic steamer fitted out for a three years' cruise is pretty close quarters for men who do not like each other. The only wonder is that all on board the Jeannette didn't spit at each other.

The New Orleans Times observes that the "Escaped Nun" business is played out as a sensation for the lecture platform. Such characters are always frauds and less interesting than escaped lunatics.

(Established 1854.)

Asthma, Bronchitis, Catarrh

and consumption in its first stages are treated at the International Throat and Lung Institute, 173 Church street, Toronto, where the Spirometer is used an instrument invented by Dr. M. Souville of Paris, and ex-aid surgeon of the French army, which conveys the medicines in the form of cold inhalations to the parts diseased. Suitable constitutional treatment is used when required. Consultations and trial of the Spirometer free. Poor people bearing certificates furnished with the instrument free. When not convenient to visit the office write, enclosing stamp, for pamphlet giving full particulars to International Throat and Lung Institute, 173 Church street, Toronto, or 13 Phillips square, Montreal.
