

KENNEDY'S IMPROVED PATENT EARTH CLOSETS

- AND -

Bedroom Commodes.

We have the best, the simplest and most effective patent improved Earth Closet on the continent, and the Heap Co. knows it, and is aggravated without just cause at the growing favor of our Closet.

That Company likewise knows that we have beaten it at the Dominion Exhibition, have beaten it at the Court, and will more easily do so again if called upon.

We have sold closets to those who had previously bought the Heap's. They all testify freely to the superiority of our closet. Some of our customers upon seeing ours cast away their more expensive and unsatisfactory Heap's Closets, unsolicited bought ours to replace them, and now pronounce ours the best by far, and altogether satisfactory. In no instance has the Heap Co. sold a closet to a customer who had used one of ours. We have repeatedly sold closets to those who had previously bought and used the Heap's.

Don't be bumbled with any unfair comparison. Our closet, one of the cheapest we ever made, placed in the hands of and declared by a competing and unprincipled Company is no test of its merits. We will cheerfully refer intending purchasers to disinterested persons using our closets, and who are likewise using or have used the Heap's.

Buy the best, the only self-acting earth closet that does not soon become ineffective and worthless.
