

\$3.70 for A and B grades. Dried fruits not in request at all. Canned vegetables can hardly be quoted, holders vary so greatly in their views; canned lobsters and salmon steady at former prices. Spices and tobaccos unchanged.

METALS AND HARDWARE.—Trade has not materially altered its quiet character reported for the last two weeks, but there are one or two features of interest to note. There is a marked scarcity of both Canada and Terne plates, prices of which are very firm at quotations; a sale of 3,000 boxes of coke tin is reported; iron pipe has advanced, the discount on $\frac{1}{4}$ inch to 2 in. having been reduced from 62 $\frac{1}{2}$ to 60 per cent. off list. Warrants cabled higher at 43/1d., but local quotations as before. Tin and copper rather easier, with a sale of a fair lot of former reported under 22c. We quote:—Coltness, none here, \$21 to arrive; Calder, \$20.50 to 21; Langloan, none; Summerlee, \$20.50 to 21; Eglington and Dalmellington, \$18.50 to 19; Gartsherrie, \$20; Carnbroe, \$19; Shotts, \$20 to \$20.50; Glengarnock, none here; Middlesboro, No. 1, \$19.00, No. 3, \$18.50; cast scrap, railway chairs, &c., to arrive, \$18.50; machinery scrap, \$17; common ditto, \$13 to 00; bar iron, \$2.10; best refined, \$2.35. The products of the Londonderry Iron Company we quote as follows: Siemens' pig No. 1, \$21.00; Acadia bar, \$1.95; Siemens' bar, \$2.10; these figures for round lots. Canada Plates—Blaina, \$2.65 to 2.70. Tern roofing plate, 20x28, \$6.75 to 7.00. Black sheet iron, No. 28, \$2.70. Tin plates—Bradley charcoal, \$5.75; charcoal I.C., \$4.00 to 4.50; do. I.X., \$5.25; coke I.C., \$3.50 to 3.65; coke wasters, \$3.25; galvanized sheets, No. 28, 5 $\frac{1}{2}$ to 7c., according to brand; tinned sheets, coke, No. 24, 5 $\frac{1}{2}$ c.; No. 26, 6c.; the usual extra for large sizes. Hoops and bands, per 100 lbs., \$2.35. Staffordshire boiler plate, \$2.75; common sheet iron, \$2.60 to 2.70; steel boiler plate, \$2.75; heads, \$4.00; Russian sheet iron, 10 $\frac{1}{2}$ c.; lead per 100 lbs., —; pig, \$3.75 to 4.00; sheet, \$5.00; shot, \$6.00 to 6.50; best cast steel, 11 to 12c.; spring, \$2.50 to 2.80; tire, \$2.50 to 2.75; sleigh shoe, \$2.30 to 2.40; round machinery steel, \$2.75 to 3.00; ingot tin, 23 to 24c.; bar tin, 25c.; ingot copper, 11 $\frac{1}{2}$ to 12c.; sheet zinc, \$5.25; spelter, \$5.00; antimony, 15c.; bright iron wire, Nos. 0 to 8, \$2.20 per 100 lbs.; annealed do., \$2.20 to 2.25.

OILS, PAINTS, AND GLASS.—Linseed oil shows quite a gain in strength, and is being quoted at 60 to 61c. for raw, 63 to 64c. for boiled, and a further rise seems probable; turpentine, 57 to 58c.; fish oils unchanged; castor, 8 $\frac{1}{2}$ to 8 $\frac{3}{4}$ c. per lb.; olive, \$1.00 for pure. Leads, inclined to strength, though no advance established. We quote:—Leads (chemically pure and first-class brands only), \$6.25; No. 1, \$5.50; No. 2, \$4.75; No. 3, 4.50; dry white lead, 5 $\frac{1}{2}$ c.; red do.,

4 $\frac{1}{2}$ to 4 $\frac{3}{4}$ c.; London washed whiting, 55c.; Paris white, \$1.00; Cookson's Venetian red, \$1.60 to 1.75; other brands Venetian red, \$1.40 to 1.60; yellow ochre, \$1.50; spruce ochre, \$2.00 to 2.50. Window glass, \$1.40 per 50 feet for first break; \$1.50 for second break; for lots of 50 boxes and over 5c. per box less. Paris Green—The demand has been rather disappointing, the damp, cool, wet weather having apparently affected the crop of bugs. Prices, however, are firm at 18c. for 100 lb. lots, in tin packages 20c. per lb.

WOOL.—The market shows great strength, and dealers have almost nothing on hand to

sell. The London sales of the 20th developed an advance of twopence a pound, and wool is actually being shipped from here to England. The very lowest for Cape would be 16 $\frac{1}{2}$ c., Australian 19c., and hardly any to be had at that.

TORONTO MARKETS.

TORONTO, 27th June, 1889.

DRY GOODS.—There is no great activity in warehouse at the moment, though any access of heat would soon occasion briskness in summer fabrics and holiday materials which the

CYLINDRICAL

THE DRY BATTERY

Excels all others, wherever Electric Bells are used.

It is cheaper, more reliable, and cannot be affected by heat or cold.

Write for Illustrated and Descriptive Catalogue of the largest variety and best Hot Air Furnaces manufactured in Canada. Mention this Paper.

BUSINESS CHANCE.

Wanted a partner in a live business, general store, best stand in town, live place, good country around, business not overdone. Stock turned over three and a half times past year. Capital required \$1,500 to \$3,000. Would sell, but partnership preferred.

Address "J. N."
Monetary Times Office,
TORONTO.

TO MANUFACTURERS.

The Town of Collingwood is now prepared to give exemption of taxes for a term of years, also the use of water and light free, to any or all manufacturers who will locate in the Town, and carry on manufacturing industries. Collingwood is well situated for manufacturers, having both railway and water facilities not excelled in Canada. Address,

JOHN HOGG,
Town Clerk.

Collingwood, April 16th, 1889.

TO MANUFACTURERS.

The Town of Trenton is prepared to receive and entertain applications from manufacturers desiring locations for all kinds of industries. The development of the magnificent water power of the river Trent, enables the town to negotiate with manufacturers. Free Sites, Water Power, and exemption from Taxes for a number of years, are inducements held out to those desiring location.

Trenton is well situated for manufacturers, being at the confluence of the River Trent and Bay of Quinte; near by the Murray Canal, leading into Lake Ontario, having at its north an unlimited supply of timber, and wood of all kinds, and minerals, and possessing the best of shipping facilities, by both rail and water, being on the main line of the G. T. R. and connected with the C. P. R., via Central Ont. Ry., and being at the head of St. Lawrence navigation. Address,

M. B. MORRISON,
Mayor.
Trenton, June 10th, 1889.
