The Great-West Life Assurance Co.

Head Office . . WINNIPEG.

The attention of the insuring public and live progressive agents is called to the following reasons for selecting this company:

First—It is the only Canadian company giving its policyholders the security of a four per cent. reserve; all others without exception reserving on a lower standard.

Second—The policy contract is as liberal as any issued. No restriction as to residence, travel or occupation, and incontestable after one year.

Third—The premium rates are low and the cost to the policyholder is certain to be less than in any other company because a better rate of interest can be earned in the west than at the home of any other company.

Fourth—Every desirable plan of insurance is issued from the low priced PAY AS YOU GO plan to the shortest single premium endowment.

Brains and Capital

In every partnership there are two factors of great importance: the managing brain and the capital employed, and if death removes either the business must suffer. It often happens that the brains belong to one man and the capital to another. If the manager dies the capital is worth less than before; if the capitalist dies and his capital is withdrawn, the manager is crippled. It is clear that each has an insurable interest in the life of the other because the profits of each depend in part upon the life of both. The firm should, therefore, take one of the Unconditional Policies of the Manufacturers Life, which are free from all restrictions as to travel, residence or occupation, and are absolutely indisputable on any ground whatever after the FIRST YEAR. Get rates and all particulars from any of the Company's Agents or from Head Office.
