Mercantile Summary.

A TRADER in the village of Culloden, Oxford
County, Ont., Mr. R. T. Williams, whose five
years experience as a general store-keeper has
not been all that could have been wished has
assigned to Mr. James] McWhiter, official
assignee. His estate shows liabilities of \$7,000;
assets not stated.

BY A PRIVATE letter just received we learn
that a fall of ten per cent has occurred in the
English market in that class of wools used in
the manufacture of blankets and such goods;
and in consequence blankets have been bought
at a corresponding reduction in price. The
letter mentions no change in other wools.

IN A recent English case it was held that a
creditor who had agreed to a composition with
his debtor, could not, on failure of compliance
with the terms of the deed of composition, sue
for the original amount of the debt; he could
only enforce the terms of the liquidation.
