MR. JOHN A. McLEAN,
State Manager,
North American Life Assurance Co.,
Detroit, Mich.

My Dear Sir,

PLEASE accept my thanks for cheque for \$493.70 handed me this day, being in full settlement of the accumulated dividends on my \$2000.00 twenty payment life policy No. 1527, which I took with your Company twenty years ago.

This represents a return of nearly 50 per cent. of all premiums I have paid in during twenty years, and I find that my \$2000.00 policy, which is fully paid up and continues to participate in future profits, has cost me only \$564.30.

The cash option of \$1336.10 which was offered me I consider also a good one as it represented a return of all premiums I had paid and \$268.10 in addition after carrying my risk for \$2000.00 for twenty years.

These results I consider very satisfactory and will take pleasure in recommending the North American Life Assurance Company as a very desirable Company to insure with.

Thanking you for the promptness in which this settlement was made, I am

Sincerely yours,
G. A. DEVLIN.
