

European Lifestyles
4100 Menaul N.E.
Albuquerque
New Mexico, 87110

Phone No: 505/883 8233

Ed Anlian, Owner

European Lifestyles operates one outlet in Albuquerque. No further stores are planned at present. US suppliers include Techline and the Anlians buy Danish and Swedish products. One Canadian metal line is carried. Occasionally they buy direct. Markets attended are Dallas and High Point (once a year). On the lookout for new products.

Karotkin Interiors
40009 Richmond
Houston
Texas, 77027

Phone No: 713/626 2460

Leonard Karotkin, President

Karotkin Interiors operates one outlet in Houston, which it describes as a desperately depressed city. So much so that it plans to open its second outlet in Austin. The store carries some high-end KD products and is constantly on the lookout for the new and the unusual. Also carries some commercial furniture. Mr Karotkin visits Dallas twice a year plus High Point and Milan. He has just bought his first container of lacquered furniture from Spain.

Bright Ideas
10969 Shady Trail, #105
Dallas
Texas, 75220

Phone No: 214/357 7726

Steve Woodward, President

Bright Ideas operate 4 stores in Dallas and one in Austin. The company concentrates on high-tech looking contemporary furniture 70% of all products sold are sold assembled at this time. Suppliers include: one Canadian metal producer, Star, Techline (they are Star and Techline's largest retail customers), also buys from Italian producers. Calligaris was one Italian company mentioned. Can buy direct or through distributors. Interested in new exciting sources.
