

1948-49 Canada Year Book: The 1948-49 edition of the Canada Year Book is now available. This volume is the official statistical annual of the country and contains an up-to-date account of the natural resources of Canada and their development, the history of the country, its institutions, its demography, the different branches of production, trade, transportation, national accounts and public finance, education, labour, and so on. In brief, it is a comprehensive study, within the limits of a single volume, of the social and economic conditions of Canada.

This new edition, which extends to 1,300 pages, has been thoroughly revised, and includes in its 32 chapters the latest material available at press time. In addition to the regular chapter material there are several special articles dealing with the physical geography of the Canadian western Arctic, the climate of Canada, the contribution to science made by the Dominion Astrophysical Observatory, and the chemical industry in Canada.

Total.....	<hr/> 71,083

Across Canada: Frank Hall on Saturday night told 200 members and guests of the 40,000-member Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employes, of which he is Vice Grand President, that they must have the 40 hour week, the Ottawa Journal reported this morning. The Brotherhood recently served notice that among other things it would seek this year from Canadian railways a 40-hour week for 48-hour pay.
