

APPENDIX I

Interpretation:

1. Species included in this Appendix are referred to:
 - (a) by the name of the species; or
 - (b) as being all of the species included in a higher taxon or designated part thereof.
2. The abbreviation "spp." is used to denote all species of a higher taxon.
3. Other references to taxa higher than species are for the purposes of information or classification only.
4. An asterisk (*) placed against the name of a species or higher taxon indicates that one or more geographically separate populations, sub-species or species of that taxon are included in Appendix II and that these populations, sub-species or species are excluded from Appendix I.
5. The symbol (–) followed by a number placed against the name of a species or higher taxon indicates the exclusion from that species or taxon of designated geographically separate populations, sub-species or species as follows:
 - 101 *Lemur catta*
 - 102 Australian population
6. The symbol (+) followed by a number placed against the name of a species denotes that only a designated geographically separate population or sub-species of that species is included in this Appendix, as follows:
 - + 201 Italian population only
7. The symbol (/) placed against the name of a species or higher taxon indicates that the species concerned are protected in accordance with the International Whaling Commission's schedule of 1972.
