THE CANADIAN WHEAT BOARD

INSTRUCTIONS TO THE TRADE

No. 41

Attention all Companies:

Dear Sirs:

Re: Feed Mills

The Board today announced provisions whereby 1960-61 Delivery Permit Holders will be authorized to deliver, outside delivery quota regulations, supplies of wheat, oats and barley to designated Feed Mills. The designated Feed Mills will be those Mills which complete an Agreement with the Board, effective until July 31st, 1961, and which will be named in an Order of the Board to be issued at an early date. In general terms, the Agreement provides that designated Feed Mills may receive quota-exempt wheat, oats and barley from 1960-61 Permit Holders in the province in which the Feed Mills is located. Wheat, oats and barley will be purchased by designated Feed Mills for their own account at prices negotiated with Delivery Permit Holders. Wheat, oats and barley so acquired must be re-sold by contracting Feed Mills solely in the form of prepared or processed feedstuffs within the province in which the Feed Mill is situated. Feed Mills participating in the arrangement will be required to maintain records which are satisfactory to the Board and to submit reports of purchases as required by the Agreement.

Agreements are being forwarded today to all Feed Mills in the prairie provinces. When the Agreements are signed and returned to the Board, an Order of the Board will be issued designating signatory Feed Mills as "Non-Quota Feed Mills". On designation, such Feed Mills may receive from 1960-61 Delivery Permit Holders, and 1960-61 Delivery Permit Holders may deliver to such Feed Mills, wheat, oats and barley, and any such receipts and deliveries will be exempt from delivery quota regulations.

Yours very truly,

THE CANADIAN WHEAT BOARD,

Approved for the Board by:

W. C. McNamara,
 Chief Commissioner.
