ON THE BRUNSWICK ALLEYS.

Turkey rolling was the feature on the Brunswick drives last week. Many good scores were put up by the boys. Dannie Cos ello captured the league bird with a total of 669, rolling 594 with a 75 pin handicap. Eddie Slean got high single with 235, and Glendenning won the open competition with 650. Rolling for the New Year turkeys started Saturday. Already some big scores have been put up. Sammie Schleman has nearly made a record for high single, a total of 275. Manager A. J. Hartman thinks it is toe much to ask the boys to shoot for, so will give one more to the roller making the next high score. One will also be given for high three in open competition, and one for high three games for league players, handicap included. On Tuesday night of this week the Brunswicks and Federals will roll off a tie for winners of the first series.
