

Line on No.            or column on No.     After the movement is completed, the named section will be halted, the section commanders placing their sections in the formations required.

### **155.—Being in Column of Sections, Right Leading, to Form Square.**

*Form—Square*—On the word SQUARE, the section commanders simultaneously command as follows :—

1st Section Commander : No. 1 section step short.

2nd Section Commander : No. 2 section advance in file from the right.

3rd Section Commander : No. 3 section advance in file from the left.

4th Section Commander : No. 4 section step short.

*Forward*.—When Nos. 2 and 3 sections arrive in their places they will step short. Upon the square being formed the Captain-General will then command FORWARD.

The colors take position in the centre of the square.

The square can be moved to the right, left or about, but before re-forming column of sections the square should be brought to its original formation.

### **156.—Being in Section Square to Reform Column of Sections and March to the Front.**

*Reform—Sections*.—On the word SECTIONS, the section commanders will command as follows :—

1st Section Commander : No. 1 section step short.

2nd Section Commander : No. 2 section on the left form section, and when formed, step short.

3rd Section Commander : No. 3 section mark time (upon No. 2 section being formed), on the right form section, and when formed, step short.
