

embracing such a number of lots, making in all over 60,000 abstract entries.

For the above work, including all that the Act required to be done for the \$2,000, were paid and no more. For work done under section 26, \$459 were paid.

SAMUEL LOUNT,
Deputy Registrar,

The above sums did not at all compensate for the amount of work done, and it is estimated that if the work had to be paid for at the ordinary rate of say \$500 per annum for clerks, it would have cost about \$12,000 or \$14,000.

Payments made by Treasurer of County of Haldimand on Registrar Account.
