

## **THE CANADIAN MUTUAL AID ASSOCIATION.**

Farmers, Mechanics, Laboring Men, as well as all other classes, are beginning to realize the necessity of some means to secure to their families assistance in case of their death. Life Insurance is looked upon by many as a means of relief, but this ray of light is darkened by the knowledge that, its attendant expenses being so large comparatively few are able to take advantage of it, although it has done a good work, and we say nothing derogatory to Life Insurance Companies, yet, necessity demands something more within the reach of all, and this is supplied by carrying out the principle of **MUTUAL AID**. No law is more clearly defined than this—every legitimate need or want felt by the people is but a prophecy of the time when that want shall be met. This want has been long felt, and the outgrowth of it is the organization of the **CANADIAN MUTUAL AID ASSOCIATION**.

The Association will do business on the following plan:—

### **APPLICATIONS.**

All applications for membership shall be made upon printed forms furnished by the Association, and if accepted, a certificate will be issued within thirty days from date of such acceptance.

### **MEMBERSHIP.**

The payment of Eleven Dollars admits any one of sound body and mind, between the ages of 18 and 60 years, to all the benefits of the Association. If the application is not accepted the money is promptly returned to the applicant.
