"D. A."

Spells Convenience, Speed and Satisfaction in Shopping

For instance, if you wish to go out and have parcels coming, there's no need to wait in to pay for them, as in the case of C.O.D.'s. No need to scurry for mislaid purse, or gather together correct change. Furthermore, a Deposit Account draws good interest, and the only stipulation is that an account must be in funds at all times.

TAKE OUT A "D.A." It enables one to shop along systematic lines and keep an accurate account of one's expenditure.

It saves time, trouble and energy. And proves its worth many times over.

A SHOE THAT FEELS FREE AND ALLOWS THE FOOT TO GROW AS IT SHOULD

Price \$12.00

A Shoe That is High Enough, Wide Enough, Long Enough, Allowing For Ample Expansion

The toe can quickly adjust itself either sideways, forward or upward

Freedom that allows air to penetrate and circulate, thereby reducing perspiration in summer---coldness in winter. Freedom that allows the arch to expand and spring the body along with an elastic cushion stride.

If you have foot troubles or foot tiredness go barefooted for relief, or wear the "EDUCATOR," which comes as near to barefootedness, perhaps, as any other shoe and yet at the same time is good looking in shape.

It is a matter of fact that "Educators" relieve the discomfort of bunions, and in time do away with corns, by removing the pressure and the rubbing.

In short the "Educator" is a shoe that is easy to wear, but hard to wear out because of the dependable leather and careful workmanship employed in the making.

Here Are a Few of the Leathers and Prices

At \$12.00 are black kid Balmoral or Blucher styles, black calf, brown calf Blucher, and the kid arch support in Balmoral.

They're in the wide and roomy shape. perforated toe caps, hooks and square custom heels.

At \$30.00, \$32.50 and \$37.50

Are Wool and Cotton Tweed Suits in the Appealing Conservative Three-Button Sac Models

At \$30.00 is offered the option of a rich autumn brown with check pattern of worsted finish wool and cotton tweed or of an EATON-made suit of medium dark grey with herringbone twill and stripe effect, made of union wool and cotton worsted. Both are cut in the three-button, semi-fitted style, with notch lapels and regular pockets with flaps. Trousers have five pockets, tunnel and belt loops, and may be finished either plainly or with cuffs. Sizes 36 to 44. Per suit, \$30.00.

Also in a seasonable brown with narrow stripe is a worsted finished union wool and cotton tweed, cut in the three-button type, durably lined in body, and notch, soft roll lapels. It has one outside breast pocket and two body pockets with flaps. The vest closes with five buttons and is medium high cut. The trousers are straight cut and well finished with two hip, two side and watch pockets. Plain or cuff bottoms. Sizes 36 to 44. Per suit, \$32.50.

Among other lines at \$37.50 is one exceptionally fine smartly patterned suit of union wool and cotton worsted finish tweed, in an appealing combination of medium and dark grey yarns woven in neat check and overcheck pattern. This also is cut in the three-button sack style, with notched, soft roll lapels, the usual pockets, and is lined with fine Italian twill. Trousers are well proportioned, with tunnel and belt loops; 2 hip, 2 side and watch pockets, and finished either plain or cuff bottomed. Sizes 36 to 44. Price, \$37.50.
