We have put on sale our entire stock of 1905 \$2.50 and \$3.00 Straw Sailors for men in rough and smooth effects—see window display—at

Solid Oak—The Symbol of Sterling Quality and the Feature for Monday in the August Furniture Sale.

THE OAK has long been appreciated by the race of Man. It has made the homes and it has formed the ships of Great Britain ever since the Anglo-Saxon invasion, and today, in the forefront of civilization, the oak stands (and falls) as the most popular of all woods for the making of substantial furniture. That its growing costliness on account of its growing scarcity is a factor in the furniture business goes without remark, but this sale will bring it within reach of the most economical of plans. We have chosen some solid oak sets for Monday to show you what we can do for you. As you see we will furnish bedrooms complete—mattress, pillows and everything—for \$37.40. Dining-room suites of solid oak for \$55.00.
