CHINAMEN HAVE CALLERS FROM THEIR OLD COUNTRY

Local Laundry Colony Feeling Good Over Presence of Distinguished Business Visitors.

The arrival of Yip Yen, special representative of the Yat-Hon Railway Co., Canton, China, and Mai Hung Chuan, secretary to the minister of interior at Pekin, in the city yesterday, was the cause of great rejoicing among the Chinamen all over the city.

After registering at the King Edward the distinguished visitors did around the city, calling on all the different mercantile houses to store where they were followed by a large crowd of their countrymen, who were out in full force to give them a hearty welcome.

Hung Chuan leaves today for New York, where he will interview the minister of interior and commerce on special business. He will sail on the S.S. for Liverpool, and will carry important trade matters to the president of the board of trade in London.

Yip Yen is seeking the block of the new railway which is capitalized at \$30,000,000. He will spend several days in the city before visiting the larger American cities, where he hopes to interest his well-to-do countrymen in this scheme of reform.

When seen by the World Yip Yen, who talks fairly good English, in a most deliberate manner, waxed eloquent on the subject of reform for China. His country was growing every year, and the Chinese in the Heyow race. With 20 different languages spoken in the City of Winnipeg we must broaden our charity if ever we are to attain to the status of a great nation.

Common Honesty.

In Woodgreen Methodist Church last night the Rev. Isaac Couch discoursed on "Common Honesty." What the world needs to-day is not the man who tells the truth under oath, but in every department and走 of life.

When he was asked if he would be surprised to find that the white man was notoriously rampant. Every great and outstanding crime was the result of a life of so-called small sins. Under the guise of speculation the most glaring offences were committed.

Licensed Broker Bell's article tried to bring out less than the article

the world was as bad as the merchant who tried to get more than a fair profit. Common business honesty was at a premium and the lack of it was sapping the foundations of the church and state.

CHAMPION OF THE OLD MAN.

Rev. Canon Cody gently rapped the Oster theory in his sermon at St. Paul's Church Sunday morning. Speaking of Paul's "old man" he said, "Much of the best and most lasting work has been done and is being done to-day by old men, some people to the contrary notwithstanding."

PREACHED ON 3 PROBLEMS CAPITAL CAN DOMINATE

American Clergyman Advocates Arbitration to Unite Capital, Labor and Politicians.

"Capital, with its ability to bribe the courts and swing congress in any direction required, is well able to take care of itself" - Rev. Mr. Prizzell of St. Paul City in Bond-street church.

"The best work being done to-day is by the old men" - Rev. Canon Coady, in St. Paul's Church.

"With twenty different languages spoken in Winnipeg we must broaden our charity if ever we are to attain the status of a great nation" - Rev. W. H. Hincks, in Parkdale, Model school, church.

"Common business honesty is at a premium, and the lack of it is sapping the foundations of the church and the state" - Rev. Mr. Couch, in Woodgreen Church.

In Bond-street Congregational Church last night the Rev. T. B. Prizzell of St. Paul City spoke on "The Church and the Industrial Problem." He urged that three problems were before the world to-day, one of which was that of defining and protecting the rights of labor, and another was the right of capital, but capital thru its right to bribe the courts, and swing congress in any direction required, was well able to take care of itself. With the advent of President Roosevelt, the greatest factor for good in modern times, a better order of things had obtained, but still every day passed but some man high in authority was brought before the bar of justice.

In Canada there was a higher respect for law than in the U.S. republic. The third great problem was to define the rights of the publics.

The church stands between labor and capital. The speaker advocated a joint meeting of the laborer, capitalist and politician to discuss and work out some solution of the gravest difficulty which menaces the world to-day.

Unitarian Church Closed.

The Rev. Dr. Sunderland, pastor of Jarvis-street Unitarian Church, preached the last of a series of sermons yesterday, following the services which were closed during the month of August. Dr. Sunderland will spend a fortnight's holidays in the New England States. On Oct. 1 he will leave the city permanently to accept his new charge.

Churches Co-Operate.

During July and August the congregations of Northern Congregational Church and Immanuel Baptist Church have united their congregations with the purpose of granting each other the use of their respective pulpits.

During July Rev. T. B. Hyde has conducted morning service in Immanuel Baptist Church and in the evening in his own pulpit. On Tuesday, accompanied by Mrs. Hyde and family, he leaves for a month's vacation in Northern Michigan, when the work will be in charge of Rev. Mr. Weston, pastor of Immanuel Baptist Church.

Broaden Our Charity.

Rev. W. H. Hincks in Parkdale Methodist Church laid stress on the fact that he will interview the minister of interior and the president of the Canadian Pacific on behalf of the Negroes in the Heyow race.

Yip Yen is seeking the block of the new railway which is capitalized at \$30,000,000. He will spend several days in the city before visiting the larger American cities, where he hopes to interest his well-to-do countrymen in this scheme of reform.

HAMILTON HAPPENINGS QUARREL OVER A DOLLAR LEADS TO FATAL STABBING

George Gerrie May Die From Several Wounds Over the Heart.

Hamilton, July 29.-(Special)—George Gerrie, a builder's laborer, who hails from Oakville was stabbed, probably fatally, Saturday night, by Charles Cook, in a quarrel over \$1. It took place at their boarding house, 53 North John-street, and each man had his own version. Cook was immediately placed under arrest. His story is that Gerrie owed him \$1 and he went to Gerrie's room to collect it. Some words passed and Cook says that Gerrie went to strike him.

Cook had a jackknife in his hand cutting tobacco, and he claims that he stabbed Gerrie in self-defence. When Dr. McCabe was called in he found that Gerrie had several wounds. The most serious was the one in the heart. The blade of the knife struck a rib and went through the covering of the heart. He was also bitten on the shoulder, and one hand was painfully cut.

His condition was considered so critical that Dr. McCabe sent word to Dr. Washington, took ante-mortem statement. His story is that he ordered Cook out of his room, but that Cook was overstepping the bounds of propriety when he did so.

Cook, the prisoner, is an Englishman, about 27 years old. He came from Birmingham about two months ago and has been employed as a plasterer on the new Federal Life Building. Gerrie, the wounded man, is 25 years of age, and has been working in Toronto and Oakville. He has been working as a laborer for Geo. F. Webb, the contractor. His condition is regarded as very serious, but the doctors at the City Hospital said to-night that they thought he might live to recover if blood poisoning did not set in.

The police were notified soon after the fight and Sergeant Knott and P.C. McCulligan placed Cook under arrest. His address will be forwarded to Orillia Monday morning.

John McAllister, 138 1/2 North Queen-street died Saturday afternoon.

The Toronto Daily and Sunday World delivered to address in Hamilton before 1 p.m., July 26th month; Sun. 25th, copy, Hamilton Office, Royal Hotel Building, Phone 965.
