WILL MINE PROPERTY.

And Not Use as a Basis for Stock Flotation.

The prospectus of the Argyle Silver Mining Co., Ltd., has just been issued. The capital of this company is \$500.000, in shares of \$1 par value. The directorate is comprised of men well known in the commercial world, as the following list shows: President, Charles S. Smith, Boston, president of the Old Dominion Copper, Mining and Smelting Co.; V. P. Benjamin, H. Cram of Cram, Mulliken & Co., bankers, Boston; R. R. Gamey, M.L.A.; George Taylor, M.P., and W. T. Baldwin, captralist Boston. The property owned by italist, Boston. The property owned by this company consists of lot 15, in the second concession of Bucke Township.
The Red Rock and Green-Meehan
claims lie to the south and west of
this property. J. B. Philips, M.E., re-

weild be best to take profits on this bulge with a view to replacing on the setback. Eunls & Stoppani whred to J. L. Mitchell at the close of the market:

Wheat—During the early part of the session present realities proved more helpful than prospective uncertainties, but its before the close there were reports that the arhis had presented itself in Summer County, the banner county of Kansas, which caused a bear panic, the market closing strong and excited. In the late trading the influence of this factor was paramount, and all the pessimism around the opening was forgotten, and traders were carried away by the buillish enthusias developed. Aside from the report of the prevalence of the green bug and sphis, there was nothing in the day's developments to cause the closing advence. The figures of the government indicate that there will be 175,000,000 bushels, the largest on record carried into the dicate that there will be 175,000,000 bush-els, the largest on record, carried into the Ontario mining districts should not be ew crop. Corn and oats declined rather sharply, Cern and oats declined rather snarpy, due to sales on stop loss orders, as a result of the larger amount in farmers, hards than anticipated by the general trade. Offerings were well taken on the trade. Offerings were well taken on the Vanced rapidly soon after they were placed on the London market. opened up with English money.

close of the market:
Wheat—Market showed early weakness, reflecting the bearing government report of yesterday, lower cables, slow cash demand and fewer reports of insect damage and is now at the King Edward Hotel and is now at the King Edward Hotel to winter wheat. As prices yielded the pit crowd sold until May had reached 77c. for the purpose of accumulating propwhen buying of a good character appeared.
A rally was started by the decrease shown in Bradstreet's report of the world's visible, posticularly the decrease in European stocks. This rally later developed into a stampede of shorts, following messages one of the principal financial and Bullionist, one of the principal financial appears in

stampede of shorts, following messages from Kansas saying green bugs were pleutiful in the state. Outside markets closed

Mr. Morrison has thus far accumutiful in the state. Outside markets closed with as much advance as our own, and the excitement attending the sharp recovery has created much bullish enthusians, which will probably cause some additional and the state. Outside markets closed with as much advance as our own, and the excitement attending the sharp recovery has created much bullish enthusians, which will probably cause some additional and the second of the excitement attending the sharp recovery has created much bullish enthusians and the second of the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians and the excitement attending the sharp recovery has created much bullish enthusians attending the sharp recovery has created much bullish enthusians at the excitement attending the sharp recovery has created much bullish enthusians at the excitement attending the excitement attending the sharp recovery has created about 100 acres of mineral lands, the excitement attending the excit two have been formed into companies, Corn-Cash market was steady and to- one of which is styled England's Precal receipts moderate. Weather over the mier Cobalt Mining Co., Ltd., and the belt was unsettled. When wheat began to other the Anglo-Canadian Cobalt Mincal receipts moderate. Weather over the belt was unsettled. When wheat began to advance the market developed a strong return and closed fractionally higher. On any sharp advance to over 47½c for May we would think corn a sale for a long pany being \$5 and 20,000 shares of each company being left in the treasury for development.

wait.

Outs were weak and under selling pressure from several large holders, stop orders being uncovered on the decline. There was some recovery in sympathy with properties to acquire the celebrated wheat, and the distant months responded Drummond mine, but his offer of \$4,to the reports of the spread of insects
in the southwest. We look to see July
and September sell higher.

Drummond mine, but his offer of \$4,to the reports of the spread of insects
by the present holders of this valuable
claim. He has been connected with claim. He has been connected with New York Dairy Market. ies for many years and says he has abuse your stomach, but when you get a bloaty feeling, you can't deny you've

Four Claims to Total of Over \$20,-000 Arranged by C. P. R. The Canadian Pacific Rallway have settled four suits resulting from the wreck at Azilda and the settlements were yesterday ratified by Chief Justice Falconbridge, They total \$20,712.
The widow of Policeman F. E. Blackwell of Toronto gets \$8080, her claim

The family of W. B. Puddicombe of Haysville, Ont., get \$8000. To the family of Henry Hermann of North Easthope, \$4032. To R. Birtch, \$600.

A number of minor claims were set-tled shortly after the wreck.

New York Mar h 12 .- With the purpose of waging as aggressive a campaign in behalf of world-wide peace as unlimited influence and money will afford, the Association for International Conciliation opened offices here to-day. Andrew Carnegie and Andrew D. White are the honorary presidents and the active officers are: Nicholas Mur-ray Butler, president of Columbia University, & president: Representative Richard Bartholdt, vice-president, and Hayne Davis, secretary. The execu James Speyer, Richard Watson Gilder Stephen Olin and Seth Low.

VALUE OF PRISON LABOR.

Many Eat as Though They Were Blind and Their Tongues Cut Out. Dyspepsia is built on confidence-too much confidence in the ability of your stomach to digest anything and every-

thing you put into it. In this age we have developed speed in every line of action, and we have also developed speed in mastication.

We don't take time to eat right, and sometimes we do not eat the right kind of food. Sometimes we carry our business to our meals and as a result eat mechanically. We eat as though we were blind and our tongues cut

gredient of Stuart's Dyspepsia Tablets will digest 3000 grains of food. The strongest stomach couldn't do the work any better than one of these wonderful little Tablets can do it. Each tablet contains the strongest digestive agents it is possible to ob-

Stuart's Dyspepsia Tablets are not a patent medicine. We come out and say just what is in them—hydrastis, golden seal, lactose and asceptic pep-sin. They are recommended by 40,000 licensed physicians in the United States and Canada.

And they are recommended by everyone who uses them—they can't help for they immediately invigorate the stomach by letting it take a rest; they strengthen the gastric juice and cause the appetite to become keen and reg-

Stuart's Dyspepsia Tablets will surely destroy dyspepsia, brash, beiching, that "lump of lead" feeling, burning sensations, indigestion, loss of appe ite and aversion to food.

Have Stuart's Dyspepsia Tablets handy where you can take one or two after each meal. Then you will know what a blessing it is to have a good appetite and get all the good possible out of everything you eat. You'll feel rosy and sweet. Stuart's Dyspepsia Tablets at any drug store on earth. 50c. Send your name and address to-day and we will at once send you by mail a sample package, free. Address F. A. YOUNG MEN IN SUNDAY SCHOOL

Inspector Hughes' Views on Way of Keeping Their Interest

Inspector Hughes addressed the Bap cents an hour or 30 to 40 cents a day tist Sunday School Association in Ossington-avenue Church last night on He did not think the labor was worth "The Young Man and the Sunday

He asked why the young man brought up in the atmosphere of the Sabbath school did not remain there. Some reasons might be adduced. Young people ways were open in which an interest might be cultivated. Forming them into an orchestra and choir to assist in the musical service and making them assistants to the superintendent or leaders in the social functions and on anniversary and social picnic occasions,

surance commission, and would be A feature which inspector Hughes glad to see the government this sessoon prepare a bill embodying the fol- ests of the school was a rigid adherence owing points:

1. To require the companies to make division of profits every one or two wanted was live, bright discussions on the broad deep vital questions of the the broad, deep, vital questions of the
