as it pleases, and that the reserve was be added to the Reserve, and in the a liability for the shareholder and not special case it was admitted that the a trust for the consumer, and it was reserve was in existence when the Act denied that the company had been guilty of any fraud but had acted hon-

answered the company's lawyers, and limproper to invest it in plant, as it slowly to Eglinton, where the counts argued that it treated the whole dis-

They also denied that the Attorney-General or the city should be a party to the present action, claiming that the profits of the business as will entitle them to an account against the company and this action seeks to recover money overpald by consumers and to restrain the continuance of acts injurious to them.

How the Steck is increased It was also contended that the Gas Company was different from an ordinary training comparation, and that the dobtained by its charter special privileges and extraordinary franchises—such as the right to dig up public highways, stop traffic, commit acts of trespass over private property when laying mains through intervening property, togethor with a grant of what is practically a monopoly; and in consumer.

It was subso contended that the Gas Company was different from an officery and the consumer and the shareholder are displayed and extraordinary franchises—such as the right to dig up public highways, stop traffic, commit acts of trespass over private property when laying mains through intervening property, togethor with a grant of what is practically a monopoly; and in consumer.

It was further pointed out that the company's dividends were limited to the profits to any amount in plant—the profits to any amount in plant—which belongs to the shareholders—which belongs to the s

The capital stock may there was a large surplus already in case. Legislature. The capital stock may be invested in plant, but not the surplus profits. No greater profits should be made out of the consumer than would suffice to pay the 10 per cent. annually for repairs on the dividends, and this 10 per cent. limit prohibits sinking surplus profits in plant, for what shareholders are forbidden to take directly as dividends out of profits they cannot take indirectly as a bonus in the event of a sale or by a "circuitous contrivance,"

there was a large surplus already in the representation face.

An overcoat belonging to Rev. Mr. Young, a visitor from Muskoka, was stolen from the hall at the residence of Rev. J. F. Ockley, Euclid-avenue, on Sunday night. The Thespian Club, under the direction of Mr. Cleworth, will present Corell's facessive, when in truth it was excessive, when in truth it was excessive, when in truth it was excessive, and the representation false.

An annual charge of 5 per cent. is equal to a rent. It was urged that this fund was intended only for usual and ordinary repairs of old plant, and lail. and ordinary repairs of old plant, and fall Why Money is sunk in Plant.

The sections of 40 Vic. were menney, and the company had no right to tioned, empowering the company in case of a sale to the city to have the new plant and charge 5 per cent. on it is new plant and charge 5 per cent. On it is new plant and charge 5 per cent. On it is new plant and charge 5 per cent. On it is new plant and charge 5 per cent. On it is new plant and charge 5 per cent. On it is new plant and charge 5 per cent. On it is new plant and charge 5 per cent. On it is new plant and plant, and plant.

the benefit of the consumer.

of 5 per cent. on the plant in use, and any surplus invested in similar securipayment of \$9000 per year to the directies also for the benefit of the consum

It was contended that the company auditor to audit the company's books est at 6 per cent. charged for it.

and if there is any doubt as to its powers it must apply to the Legis-lature. The Act of 1887, which was the result of a compromise between the company and the city, should be construed in favor of the consumer and all doubts decided against the company certain charges were imposed for the Act allowing the stock to be increased by \$1,000,000. The dispute only involved those portions relating to the investment of the premiums and surplus profits.

How the Company Violates the Law. By that Act the company violates the Law. By that Act the company obtained three things in addition to the 10 per cent. dividend allowed by the original Act, viz.. Permission to form a Reserve equalling half the passed up canalar to the company contends, but the reduction in the company cortends, but the reduction in the charge to the company and the city, should be construed in the cost of manufacture.

It was shown that In consideration to the opposite the reduction in the charge to the company and the city, should be construed in five great privileges obtained by the consumer, such as the linvest-most of the great privileges obtained by the original Account. All such matters were fully deated before the passing of the Act allowing the stock to be increased by \$1,000,000. The dispute only involved those portions relating to the investment of the premiums and surplus profits.

How the Company Violates the Law. By that Act the company obtained three things in addition to the 10 per cent. dividend allowed by the original Act, viz.. Permission to form a Reserve equalling half the passed up capala; to the benefit of the consumer.

How the Company doubt as the company doubt and the consumer are doubt and account, and as separate bank account, and as soon as possible invested in the second the premiums should have been kept in a separate bank account, and as soon as possible invested in the second three things in addition to the 10 per cent. dividend allowed by the original Act. the company obtained three things in addition to the 10 per ce

doses, 25 cents. wo things were secured by the re-the formation of the Special Account to which all money, oviding for the payments justed, is to be carried, and when-the special accounts and applied to reduce gas.

A suggestion for the Legislature.

NO TIDINGS YET OF THE MISSING FIREMAN, WILLIAM BURT.

Havelock Scoress Who Led the Friends of the Absent One a Lively Chase-Two Suspicious Circumstances Just Prior to the Day of Disappearance-A More

Since William Burt disappeared from the ken of his friends at the Junction humorist's careless but original novel, on Tuesday evening last, every effort is, in atmosphere and dialogue, cnarmhas been made by the railway officials ing.

about 20 of Burt's comrades spent of Blake County were all strikingly Sunday in searching for the missing good. blacksmith shop was found as described, but the minutest search failed to reveal any trace of the lost man. There was an old well near by, and, to leave no stone unturned, grappling from were made and the bottom of the hole was dragged. There was utility hole was dragged. There was little water in the well, and the searchers were about to give up when something was felt on the grappling hooks. Anxiously and expectantly they pulled on the rope, and a good deal of main strength was required to drag to the surface a submerged barrel. The search was again given up.

Mrs. Burt arrived from Havelock vesterday morning. She is very any

yesterday morning. She is very anxious, but refuses to believe that her husband is dead, notwithstanding the assurances of the second-sighted lady.
It is proposed to bring Mrs. Booth from Havelock, in the hope that her prophetic powers may be of more avail when she is on the spot. A More Minute Description A brother of the missing man, Mr.

Burt, 81 Pearson-avenue, a conductor on the C.P.R., called on The World office yesterday and gave the following description of William: Age 41, height 5 feet 7 inches. weight 170 ponds; dark hair, streaked with grey, heavy black moustache; first and second fingers of right hand are perfectly stiff. He is of a modest retiring. fectly stiff. He is of a modest, retiring-disposition, and is difficult to lead into conversation.

Speaking of his brother's disappear-

Mr. Aaron Burt is co-operating with the authorities in the search for his prother, and would be glad of any nformation that would tend to the medical fraternity and newspaper representatives of this city. The affair is by invitation only, and the number limited to 22. information that would tend to assis

FIRST AND SECOND CHOICES. The Round at New Orleans-Starter Fitz-

gerald in Trouble. New Orleans, Feb. 3 .- For the first tin In several weeks the track was fast; and all horses had a good chance. Favorites or second choices landed the money in four races. Tommy Butler, at 10 to 1, took second choices landed the money, in four races. Tommy Butler, at 10 to 1, took the second race. Squire G., at 4 to 5, won pulled up. Hibernia Queen took the handleap from Lidlian E. Tim Murphy made a fine finish, his riding being the reature of the day. Pert, who ran short the otner day, was backed for a sure thing to-day and there was nothing in the race to make him gallop. Dutch Roller repeated his effort to-day with Lillian E. and Hackett, and both finished second again. Hackett should have won, Clay going all to pieces when collared at the sixteenth pole by Mollie B., on whom Thorpe rode a fine race. Starter Fitzgeraid's work was very poor, with the exception of the second race, the last being very bad. Eagle Bird, who was heavily backed, was left standing at the post, and the others strung all over the track. A committee of horse awners presented a petition to General Manager Bush asking that Fitzgerald be relieved or they would not race. Mr. is informed them that they could take their horses off the track if they wished, as Fitzgerald would finish the season to the track of the track to-day, and will probably be seen in the saddle soon. Weather clear and warm; track fast. Summaries:

First race, 6 furlongs—Pert, 3 to 1, 1; Bon Soir, 10 to 1, 2; Minerya, 12 to 1, 3. Time 1.17%.

Bon Soir, 10 to 1, 2; Minerya, 12 to 1, 3. Time 1.174.

second race, 7 furlongs—Tommy Butler, 10 to 1, 1; Lawless, 8 to 5, 2; Miss Rowett, 2 to 1, 3. Time not taken.

Third race, 1 mile—Squire G., 9 to 10, 1; Sauterne, 4 to 1; 2; Dave Pulsifier, 6 to 1, 3. Time 1.45.

Equation race, 15, 16 mile—Hilbernia Queen. 3. Time 1.45.

Fifth race, 6 furlongs—Highland 1, Midlo 2, Hermanita 3. Time 1.17/4.
Sixth race, 6 furlongs—Comrade 1, Todhunter 2, Myron 3. Time 1.05%.

suburban Weights.

New York, Feb. 3—The Suburban weights, announced to-day are arranged on a scale slightly higher than those in the Brooklyn. But, except in the case of Senator Grady, whose weight is raised three pounds in the Bleepshead Bay event, the difference in the two handicaps is scarcely enough to be noticeable. Henry of Nayarre is top weight at 129 pounds, while Glifford gets in at 125 pounds, the same impost that he will have to carry in the Brooklyn. Considered purely from the point of view of form, this year's Broklyn and Suburban are the best handicaps seen in years, fand if the old days of ante-post betting were in vogue they would both undoubtedly become mediums of lively winter speculation. This year's Suburban will be run at Sheepshead Bay on Thesday June 23. Penalties accrue from February 3, at noon. The weights are as follows:

Henry of Navarre, 5—429; Clifford, 6, 125; Dominio, 5, 122; Keenan, 4, 122; Lazzarone, 5, 120; Halma, 4, 117; Dorlan, 5, 116; Counter Tenor, 4, 116; Bright Phoebus, 4, 114; Sir Walter, 6, 113; Nanki Pooh, 4, 114; Sir Walter, 6, 113; Nanki Pooh, 4, 114; Sir Walter, 6, 113; Nanki Pooh, 4, 116; The Commoner, 4, 100; Serandor Grady, 5, 109; Dutch Skater, 5, 108; Vinctor, 4, 107; Handspring, 3, 104; Saragóssa, 6, 104; Lake Shore, 5, 104; Connoisseur, 4, 102; Emma C., 4, 100; Stephen J., 5, 98; Flora Thornton, 5, 95; King Arthur II., 4, 95; Claudius, 5, 93; Primrose, 4, 90.

In the English Handleaps.

London, Feb. 3.—The spring handleap weights were published Saturday. In the Lincolnshire Handleap the highest weight is 130 pounds, and the lowest 84. Americus will carry 113 pounds, Montauk 85, Rey El Santa Anita 117 and Sir Excess 111. For the Great Metropolitan the highest weight is 126 and the lowest 84. Banquet will carry 114 and Rey El Santa Anita 128. In the City and Suburban the highest weight is 133 and the lowest 84. Montauk will carry 16, Rey El Santa Anita 124 and Sir Excess 119. In the Chester Cup the highest weight is 133 and the lowest 84. Montauk will carry 85, Rey El Santa Anita 124 and Sir Excess 119. In the Chester Cup the highest weight is 128 and the lowest 84 Rey El Santa Anita will carry 107. In the Kempton Park Jubilee Stakes the highest weight is 133 and the lowest 84 pounds. Americus will carry 108 pounds, Montauk 100 pounds, Rey El Santa Anita 112 pounds and Sir Excess 108 pounds. It is sald that Montauk has improved on last year's form.

Richard Croker has twenty-nine horses in training at Letcomberegis, near Wantage, in charge of Charles Morton.

Detroit's berby of '97.

Detroit's Berby of '87.

Detroit, Feb. 3.—The complete list of entries for the August meeting of the Detroit Jockey Club having already been given, but two events remain, the fixtures of 1897. These are the International Derby and the Campar Stake. It is estimated that the Derby will come between \$10,000 and \$15,000 in valuation, and the Campau Stake between \$7000 and \$10,000, and in addition to their valuation they insure a race meeting of great importance eighteen months hence.

The Derby closed with 109 and the Campau Stake 110 nominations, including the leading western stables. Of course these entries are almost all speculative, as few of them have been tried in public yet. Still they combine the blood of great sires, producing dams and tried race horses. Candlemas, Red Iron, imp. Order, Fonso, Bramble, imp. Gleneig, Sir Dixon; Uncas, H. adoo, Leonatus, Longfellow, Jim Gore, Hanover, Spendthrift, imp. Sir Modred, Blaze and Darebin are all represented by likely sons of tried matrons.

Ed Corrigan of Chicago and the Hot Springs stables (Bill McGuigan) lead the list with eight nominations each, John W. Schorr has six, Joseph E. Seagram and Clifford, Porter & Co., five each; Hankins & Johnson, T. A. Cook, Burns & Walterhouse and Louis H. Ezell four each. The others range to one, and in all there are 53 nominations. The Canadian horses, with their breeding are:

Joseph E. Seagram, b.c. by Harvester—Puert; b.c. by Rel-videre—Genevers. Stealsway b.c. by Rel-videre—Genevers. Stealsway b.c. by Canadian horses, was and the puerts of the puerts of the Wm. Hendrie, Dumbarton, ch.g., by Bel-videre—Genevra; Stealaway, b.c., by Can-llemas—Elsa Rosalind. Charles Boyle, Harbinger, b.c., by Un-las—Duplicity. D. Higgins, Bird of Freedom, ch.f., by Phoenix—Gretna.

William Harty, son of the Ontario Com-missioner of Public Works, while playing hockey on Thursday night, was accidentally struck in the eye by a stick, and he is now in the hospital. The doctors fear that the sight has been destroyed. Harty played centre for the Limestones at Kingston.
