Firmly Crounded Upon Real Merit They Know Hood's Sarsaparilla Absolutely and Permanently Cures When All Others Fall.

Hood's Sarsaparilla is not merely a simple preparation of Sarsaparilla, Dock, Stillingia and a little Iodide of Potassium. Besides these excellent alteratives, it also contains those great anti-bilious and liver remedies, Mandrake and Dandelion. It also contains those great kidney remedies, Uva Ursi, Juniper

Knowing these facts, is the abiding faith the people have in Hood's Sarsaparilla a matter of surprise? You can see why Hood's Sarsaparilla cures, when other medicines totally, absolutely fail.

the church at large for the current Rev. Mr. Henderson reported for the committee on expenses of presbyterial deputations. The difficulty of drawing a hard and fast line was noted, and the following principles laid down: 1. That all necessary expenses of

standing committee of presbytery be paid from the presbytery fund. 2. That all committees appointed from time to time on special presbytery business have their necessary expenses paid from the presbytery fund. These would not include ministers appointed to take part in ordinations and

inductions. 3. That as a general rule, when a committee is appointed to visit a congregation in response to petition, memorial, complaint or appeal, or in settling any difficulty, or to discharge any business belonging to the congregation, the expenses should be defrayed by the congregation. This would include assessors appointed to act with sessions, ministers taking part in ordination and induction services. 4. In any case that may arise in which there may be doubt as to which of the above categories the committee should belong, the presbytery should indicate at the time of appointment
