HAS SPENT LAST 5 CHRISTMAS DAYS IN 4 DIFFERENT LANDS

Remarkable Experience of W. C. Scott, Original First.

NOW IN ENEMY COUNTRY
Says Canadians Well Treated, But Always Carry Bayonets.

W. C. Scott, a member of Canada's "Original First" who is now with the army of occupation in Germany writes the following letter to his mother, Mrs. E. W. Scott of this city, which gives an interesting account of his life in the men there and conditions on the German border.

"My mother, it sure seems funny to be in Germany at last, for you know it has taken a long time to get here and there was a lot of hard work in it. And when you think how things looked for us on the 21st March last, it does not seem possible that there has been such a change. Still it is right and I think a lot more are glad that it is over for it has been a hard pull for us boys who came out with the First. However, I would be sorry if I had not come out with the First, for it is something to be proud of, to be one of the Originals, to have stuck to it right through, and to be the first to enter Germany. But I am afraid we will not be the first to be sent back to Canada."

Where Royalty Learned. "Now suppose you would like to know something about Germany? We are about 30 miles over the border, and the place we are in is just on the outskirts of Bonn, but it is a very nice university city, all the German royalty being educated here (although that did not seem much good), and the Rhine runs through the centre of the city, being crossed by a beautiful bridge. There is a fine view along the river bank with a row of trees on each side. As it looks very fine now, it must be grand in summer."

"The people treat the Canadians very well. We can ride on the street cars and never pay car fare and they always offer us good beds when we pull into a new town. Our bunch are sleeping in a 10 roomed house and the janitor comes in every morning and cleans up and lights the fires for us. So you see we are not the boys of trouble, but we have not had any so far."

Well, mother, it is Christmas again, and I think this will be the last away from home. I was just thinking that I have spent the last ones in strange places. I was in 1914 I spent in England at Salisbury, in 1915 I spent in Flanders, in 1916 and 1917 in France, and in 1918 in Germany. That is a good record for a true born Canadian."

REV. N. MCKECHNE TAKES CHARGE OF CHURCH ON SUNDAY

Woodstock College Master Is Re-entering Ministry.

Rev. N. McKee, M.A., B.D., B.Th., who for the past five and a half years has been head of the management of Woodstock College, has accepted a unanimous call to be pastor of the Woodstock Presbyterian Church, which will take charge tomorrow.

Rev. McKee's removal from Woodstock will be a great loss to the city, for since coming there from Fonthill, Ont., he has proved himself a most efficient and energetic minister, exerting a wholesome influence on all with whom he came in contact. He was born in Woodstock, being the son of N. S. McKee, vice-president of the city, and took a five years' course at the college, graduating in 1899.

Then he attended model school and taught for three years, after which he entered McMaster University, from which institution he graduated in arts and theology in 1906. At this university he had a brilliant career, winning various scholarships. He was a member of the winning team and was captain of the football team, and was also an active member of the evangelistic body. He was also a member of the YM and YWCA, and in his McMaster University his picture appears with at least two of the victorious McMaster debating teams.

Had Fine Voice. The students of the city will all remember the high order of the work of the male quartet, a notable feature of which was the vocal solo of Rev. McKee. McKee, about a month ago, made arrangements to leave the college, with intention of re-entering the ministry. He was persuaded by the authorities to remain for the duration of the period.

Yet, his successor has not been appointed. His predecessor's name in connection with the church is well known. Rev. W. M. Walker, who resigned on November 1, since that time the church has been without a pastor.

SACRAMENT SUNDAY.—On Sunday morning the sacrament of the Lord's Supper will be administered in the First Methodist Church. At night Rev. Dr. Deacon will preach on the subject, "The Kingdom of God is within you." The Lord's Supper will be administered at the close of the evening service.

CITIZENSHIP CLUB MEETS.—The Young Women's Christian Association Citizenship Club holds its regular monthly meeting on Monday next at 8:30 o'clock. The work of the public health nurse, and what is done for the welfare of employees in large factories will be the subject of the evening.

BISHOP OF OTTAWA COMING.—Rev. John Charles Roper, Bishop of Ottawa, will speak at the Bishop of Huron on Monday and Tuesday, February 10 and 11. On Monday evening he will be the speaker at a "Father and Son" banquet to be held in Cronyn Hall, the subject of his address being "Readjustment After the War." On Tuesday afternoon he will address the clergy of the diocese in the same hall.

PROUD FATHER.—Bonnie, the white French poodle belonging to Mrs. A. McNamee, 13 Marmora street, which carried off the first prize at the dog show for open dogs and Bitches, has a proud record, as a father of prize-winners, less than five of his "children" taking first prize last year.

RECRUITING SLOW.—Recruiting has been slow at the local mobilization centre in the last few days. Recruits are being taken from the ranks of the army and the Canadian expeditionary force for Siberia. Sgt. J. Rawlin, recruiting officer, is now recruiting men who wish to serve or learn something about any branches of the service come to see the speaker at a "Father and Son" banquet to be held in Cronyn Hall, the subject of his address being "Readjustment After the War." On Tuesday afternoon he will address the clergy of the diocese in the same hall.

SUCCESSFUL WHIST PARTY.—The 33rd Commodore Club held its whist party and social in the clubhouse of the G. W. V. A. last night, and it proved to be one of the finest whist parties which the club has held, both in the number of guests present and the fine musical program. Those on the program were: Constance W. Deacon, violinist; Barney Devlin and W. E. Deacon, soloists; A. E. Manzie, recitation. The prize-winners for the highest score in whist were: Ladies', first prize, given by Constance W. Deacon, won by Mrs. F. McKellar. Ladies' consolation, Mrs. Redman. First prize for the music was given by Constance W. Deacon, won by Constance W. Deacon's consolation, A. S. Smith.

REPUBLIC MOTOR TRUCKS ESTABLISH FACTORY IN LONDON

If Local Capitalists Decide To Invest, Works Will Come Here and Arrangements Will Be Made At Once.

The Canadian organization of the Republic Motor Trucks Corporation will decide whether to locate in London or Toronto within the next ten days, according to a statement made by one of the officials of the company to The Advertiser.

This is revealing no industrial secret, as the decision to be made by certain London capitalists will affect the location of the factory in this city. The company, which is now in the process of raising capital, is expected to announce its decision in the near future.

Largest Manufacturers. The coming to the city of such a concern would mean that the largest makers of motor trucks would establish their Canadian branch in this city. Republic trucks have the lead in the United States over any other truck, the ratio of three to one, and more than 28,000 trucks were manufactured last year.

Doing Great Business. The sales organization is doing a large business in Canada, and the location of their factory in this city would mean, it is stated, the employment of several hundred men, mechanics, and the almost certain establishment of other necessary and part makers.

Local Capitalists. A well-known London man is now connected with the company in an important office. The coming to the city of such a concern would mean that the largest makers of motor trucks would establish their Canadian branch in this city. Republic trucks have the lead in the United States over any other truck, the ratio of three to one, and more than 28,000 trucks were manufactured last year.

Dominion Police Have Found Men Evading M. S. A. in Hay Mows, Hog Pens, Hen Houses and in Cellars

Grand Total of 1,400 Men Put in Khaki in This District by Force Under Capt. A. K. Minard Of 7,374 Men Ordered To Report Only 451 Failed.

Under the military service act, in Military District No. 1, during the past year, 7,374 men were ordered to report for duty; of these 451 failed to report, a number of whom were in other military districts in Canada.

For the purpose of apprehending these evaders, the Dominion police force was organized under Lieut. C. H. Atkinson, who was in command of the force. The force was divided into three sections, each of which was assigned to a different area of the district.

Much Hard Work. All this has meant hard and often times very trying work on the part of the police, in some sections they have been delayed by the fact that the evaders were in other places than the ones they were supposed to be in. Many who had been examined and placed in category A2 and into the army. In one place alone, out of twenty men, only one reported for duty. The others were caught by following them to their homes, and then to the places where they were hiding.

Many amusing as well as tragic incidents happened in connection with the work. Officers constables were called upon to take big risks against men who had armed themselves and threatened to kill the police. In some cases, the police were delayed by the fact that the evaders were in other places than the ones they were supposed to be in. Many who had been examined and placed in category A2 and into the army. In one place alone, out of twenty men, only one reported for duty. The others were caught by following them to their homes, and then to the places where they were hiding.

Not a Grift. Not one instance has come to light where men, having been apprehended, have been released without having been examined by a medical officer. The military service act is a law, and it is not a grift. The police are doing their duty, and the evaders are being caught. The Dominion police force is a well-trained and efficient force, and it is not a grift. The police are doing their duty, and the evaders are being caught.

VICTORIA HOSPITAL NEEDS \$50,000 FOR CHILDREN'S WARD

Other Improvements Mentioned by Chairman.

COUNTY COUNCIL SUPPED
Many Suggestions For a Memorial For Soldiers Who Have Fallen.

"We want \$50,000 for a children's ward. Here's an opportunity for some of the rich lachlachs to help take care of other people's children. All our departments in Victoria Hospital are in a state of disrepair. We want an out-patient department, extension for the operating-room, and no classrooms and are obliged to depend upon the Institute of Public Health, which is a neighbor for classrooms. We cannot stand still without going back. If we are to hold our own as a hospital, we must go forward."

The foregoing "improvements wanted" by Victoria Hospital were enumerated last night by the chairman of the hospital trust, Lieut.-Col. W. M. Garthshore on the occasion of a social gathering arranged in honor of the annual visit of inspection to the hospital of the county council.

Members of the city council, board of health, medical faculty of the University, medical and nursing staffs of Victoria Hospital, representatives of the staff of the Institute of Public Health, were invited by the hospital trust to meet the county council, discuss problems in regard to the hospital, and to make suggestions for improvements. If they had any, and set better acquainted with one another and their mutual interest, promoting public health.

Col. Garthshore Host. Col. W. M. Garthshore, chairman of the hospital trust, was host of the tempting supper served at 8:30 o'clock on the occasion of the annual visit of inspection to the hospital of the county council. The supper was served in the hospital dining hall, and was a most successful one. The chairman of the hospital trust, Lieut.-Col. W. M. Garthshore, was the guest of honor. He was accompanied by his wife and daughter. The supper was served by the hospital staff, and was a most successful one. The chairman of the hospital trust, Lieut.-Col. W. M. Garthshore, was the guest of honor. He was accompanied by his
