EX-ALD. DICKSON DEAD

Failed to Survive Operation—Louis Frank Found Guilty in Conspiracy Case.

HAMILTON, July 20.—(Special)—Louis Frank was found guilty this afternoon by Judge Monck of conspiring with H. M. Morden, weigh clerk, to defraud the Hamilton Steel and Iron Company, and was remanded until Dec. 7 for sentence, the judge granting a reserve case, applied for by J. W. Cury, K.C., and George S. Kerr, K.C., who defended Frank. The ground for the application was that the evidence of Morden was not corroborated. Morden was the crown's star witness. He said that Frank approached him with a proposition to increase the weight of loads of scrap iron delivered to the company by Frank. He at first refused, but when he borrowed \$50 from Frank, which he found it difficult to pay back, he fell in with the idea, the proceeds of added weights being equally shared. In this way he said he made \$700. His evidence was partly corroborated by Private Detective Lobbe. Frank was given his freedom until Dec. 7 on \$1000 bail.

Ex-Ald. Dickson Dead. A cablegram announces the death at London, Eng., of James Dickson, junior partner in the law firm of Nesbitt, Gould & Dickson, who left several months ago in search of health. He had suffered from stomach trouble for a long time and after reaching London specialists performed an operation and discovered that he was suffering from cancer. His wife was with him and it is thought his brother, William, who left for England on July 13, reached his side a few hours before the end came. The deceased was about 35 years of age. He served as a member of council for several terms, filling the position of chairman of finance in 1907. The city hall team held the press line at the Mountain View Park this afternoon by a score of 11 to 9. Fong Sing was arrested to-day on the charge of stealing \$10 from another Chinaman.

Licenses Renewed. The license commissioners have changed their minds and the five license holders who were given three months in which to sell out and transfer their license, and they will be allowed to continue in business. J. J. Walsh, who was given three months in which to dispose of his business, will also continue business, but T. H. Gail, E. Farr and T. E. Quinn, have to quit at the end of the month. A young lady, thought to be a practical joker, threw a note of a radial car announcing that she was going to

SPRAINED WRIST AND ANKLE

After Being Laid Up With Great Pain for Ten Days, Relief Was Gained Instantly By Applying NERVILINE

One of the most soul-distressing accidents that can befall one is a bad ankle or wrist sprain. "If I had only known of NERVILINE earlier, I could have saved myself an enormous amount of pain and many agonizing nights of sleeplessness." Thus writes P. P. Quinn, a young farmer living near Brockville. "I tumbled from a hay loft to the barn floor and sprained my right ankle and left wrist. They swelled rapidly and caused excruciating pains. It was not convenient to go to the city, and the liniment in the house was useless. When I got NERVILINE relief came quickly. It took down the swelling, relieved the pain, and gave me wonderful comfort. "I can recommend NERVILINE for strains, bruises, swellings, muscular pains and sore back. I have proved it a sure cure in such cases. "Think what it might some day mean to you to have right in your home, ready for an accident of this kind, a bottle or two of NERVILINE. Get it to-day, 25c, or five for \$1.00, all dealers or The Catarthozone Co., Kingston, Ont.
