

Holloway's CORN CURE THE GREAT ANNIHILATOR

FOR THE REMOVAL OF ALL KINDS OF CORNS, WARTS, Etc.

ONE of the most annoying troubles that a person can have is corns. It is one that deprives us of what pleasure there is in walking, or even wearing a neat boot. Only when resting, and with our slippers on, can we obtain ease and comfort.

Corns are caused generally by wearing ill-fitting boots or shoes. If our boots are too large or too small, they will, by their uneven pressure, induce the growth of an excrescence or thickened scarf skin, which gradually sinks into the mucous network, and then into the true skin, which is the organ of touch.

There are several kinds of corns, and some are very difficult to remove, but none of them can withstand *Holloway's Corn Cure*.

This never failing medicine removes them without any inconvenience to the sufferer, as can be testified by those who have used it. The following testimonials are evidence of what it has done, and will do again if used according to directions.

What it has Done.—Mr. Jcs. Wallace, Louisville, writes: "I suffered with corns for 40 years; for the last two or three years I could scarcely walk except by the help of a cane. I tried different kinds of corn cures, but got no relief until I got a bottle of *Holloway's Corn Cure*. After applying it for a few days only, I removed the corns root and branch. I have pleasure in recommending it to all sufferers."

Mr. William Frank, Peterboro', writes: "I was troubled with a corn for thirty years. I had it operated upon by four different corn doctors, but it was only by the use of *Holloway's Corn Cure* that a cure was effected."

Entirely Cured.—Mr. J. W. Brown, Chicago, Ill., writes: "Where can I get some of *Holloway's Corn Cure*? I was entirely cured of my corns by this remedy, and I want to get some more to give relief to some of my friends."

No Pain.—Mrs. George Simpson, Toronto, says: "I have suffered severely with corns, and was unable to get relief from treatment of any kind until I was recommended to try *Holloway's Corn Cure*. After applying it for a few

days I was enabled to remove the corn, root and branch—no pain whatever, and no inconvenience in using it. I can heartily recommend it to all suffering from corns."

Mr. Thomas Sabin, of Eglinton, says: "I have used *Holloway's Corn Cure* with the best results having removed ten corns from my feet. It is not a half-way cure or reliever, but a complete extingisher, leaving the skin smooth and clear from the least appearance of the corns."

Warts Removed.—Mr. John Atkinson, Cheapside, writes: "*Holloway's Corn Cure* removed half a dozen warts from my hands."

DR. KELLOGG'S CATARRH SNUFF FOR CATARRH, COLD IN THE HEAD, HEADACHE, &c.

ONE of the most common of all disorders to which the human body is subject in this changeable climate is Catarrh. It is contracted generally by exposure to draughts or damp atmosphere. It may at first be only what is commonly called cold in the head, but if neglected it eventually becomes chronic, and is exceedingly troublesome, causing derangement of the stomach and wholesystem. The smell is impaired and sometimes destroyed; appetite gone, and general emaciation frequently occurs.

DR. KELLOGG'S SNUFF

Is specially adapted for this disease, and we do not hesitate to pronounce in the strongest terms of its unflinching efficacy in relieving and eventually curing the afflicted.

It Gives Immediate relief to the dull, heavy pains caused by cold in the head. It opens and purges out all obstructions, strengthens the glands, and gives healthy action to the parts affected.

Mr. Paul Thibodeau, Cavendish Road, P. E. I., writes: "I have had Catarrh for twelve years, and fifty cents' worth of Kellogg's Snuff did me more good than \$50 worth of medicine which I had from the most eminent medical men of Montreal, Quebec, St. John and Charlottetown. I think one more bottle will completely cure me."
