"WEEDS USED IN MEDICINE"

In the title of a very interesting pamphlet recently circulated by the U. S. Department of Agriculture. It illustrates and describes the medicinal qualities of roots, leaves and flowers of our most common weeds, which are nature's remedies for disease. From the roots and herbs of the field Lydia E. Pinkham's Vegetable Compound was originated more than forty years ago, and the demand for it has increased until it is now recognized as the standard remedy for female ills.

Several thousand big, bad bumble bees invaded Brooklyn a few days ago, took up a position on the corner of two streets and for one hour held the place, stopping all traffic and forcing every one in the vicinity to take refuge behind closed doors. At the end of the hour the bees made a strategic retreat and completely disappeared.

A flash of lightning lights up the ground for 100,000,000 of a second, yet it seems to us to last ever so much longer. What happens is that the impression remains in the retina of the eye for about one-eighth of a second, or 124,000 times longer than the flash lasts.

THE MODERN WAY TO FURNISH HOMES

In these days of Pullman sleepers, no one would think of using a prairie schooner to cross the country. With modern plumbing facilities, nobody takes clothes down to the river to do washing. The old way of doing things gives place to the new. It is the same way with furnishing a home. No one thinks of doing without furniture in the home. We make it possible to have not only the necessities, but what is modern and in good taste, at Amland Bros. low prices.

Men members of the congregation of the First Methodist church of Belleville, Ill., will not have to wear coats to church during the summer, and women

may come hither, according to an announcement by Rev. Jesse Hyde.

Mr. Sharp-O-I say, Mr. Dense, what animal do you think you'd like to be on a cold day?
Mr. Dense—Um, er, ah—let me see—I think I should like to be a little otter. Anything else.

Thin People Can Increase Weight

Thin men and women who would like to increase their weight with 10 to 15 pounds of healthy "stay-ther" fat should try eating a little Sargol with their meals for a while and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—one tablet with every meal—for two weeks. Then weight and measure again. It isn't a question of how you look or feel or what your friends say and think. The scales and tape measure will tell their own story. Many people, having followed these simple directions, report weight increases of from five to eight pounds with continued gains under further treatment.
Sargol does not of itself make fat but mixing with your food its purpose is to help the digestive organs turn the fats, sugars and starches of what you have eaten, into rich, ripe, fat producing nourishment for the tissues and blood—prepare it in an easily assimilated form which the blood can readily accept. A great deal of this nourishment now passes from thin people's bodies as waste. Sargol is designed to stop the waste and make the fat producing contents of the very same meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is non-injurious, pleasant, efficient and inexpensive. All leading druggists are authorized to sell it in large boxes—forty tablets to a package—on a guarantee of weight increase or money back as found in each large box. If you find a druggist who is unable to supply you send \$1.09 to Sargol Co., 74 St. Antoine street, Montreal (Que.), and a complete ten days' treatment will be sent you post-paid.

CREONOID
Like Dettol and Cow Spray

Creonoid stands alone as a lice killer and cattle spray. Economical too, because it is so strong that a little goes very far. Give your horses and cattle a fine, long distance spraying, so that they get the vapour. It will make them clean and vermin free. Put some Creonoid in the barnyard and pigsty. The use of Creonoid means better stock, more eggs, more good pointers, more milk, try some now.

New, Positive Treatment to Remove Hair or Fuzz

(Beauty Notes.)

Women are fast learning the value of the use of delatone for removing hair or fuzz from face, neck or arms. A paste is made with some powdered delatone and water and spread on the hairy surface. In 2 or 3 minutes it is rubbed off, the skin washed and every bit of hair has disappeared. No failure will result if you are careful to buy genuine delatone.
