Nationals took three points from the  
Lions. Wilson's single string of 130 and

## THREE AMATEURS JOIN "PRO" RANKS

Toronto, Dec. 23.—Three good amateur  
hockey players in Nova Scotia have  
been persuaded by the St. Patricks Club  
to join the professional ranks, and the  
N. H. L. leaders expect to be considerably  
strengthened by this acquisition.  
They are: T. Stachow, of New Glas-  
gow (N. S.), a forward who reported to  
St. Pat's this morning and will be in uniform  
against Hamilton at the arena here  
tomorrow night; Faddy Nolan, also of  
New Glasgow, a forward who is expected  
to arrive here on Sunday and Stanley  
Jackson, of Imperial, Halifax, who will  
be here on Monday. Jackson is a defence  
man.

**A \$3,000 FIRE  
AT ST. GEORGE**  
St. George, N. B., Dec. 23.—(Special).  
The Perry House, owned by the St.  
George Pulp & Paper Company and oc-  
cupied by Eldorado Cook and family,  
was destroyed this morning by fire, said  
to have resulted from a defective fuse.  
Hard work on the part of citizen fire  
fighters, and the absence of wind, saved  
the adjoining property. The loss is  
about \$3,000; insurance not known.

**GOOD SEND-OFF FOR  
PRINCE IN PATNA**  
Patna, British India, Dec. 24.—The  
Prince of Wales started for Calcutta last  
evening after a day of brilliant cere-  
monies and great popular friendly de-  
monstrations. The "hail" was aban-  
doned yesterday, the promoters declaring  
its purpose was attained on Thursday,  
but the natives were enjoined to remain  
indoors. This was generally ignored,  
and although the banners remained  
closed thousands of persons flocked to  
witness the ceremonies and cheered the  
prince.

Christmas present from the Imperial  
Theatre in the shape of a permanent  
pass; made of solid gold. Accompany-  
ing the gift is a fine letter from Walter  
H. Golding, manager of the Imperial in  
which Mr. Golding says that it would  
have been publicly presented to Hilton  
on his arrival home from the champion-  
ships last August, only it was not ready  
in time.  
The text of the letter is as follows:  
"Dear Hilton:  
"We are sending in this mail a little  
token in appreciation of your wonderful

"It was intended to present this little  
gift when you reached home but it was  
not ready for delivery then and at a  
later date it was not convenient to pre-  
sent it to you publicly. So, now, we  
send it to your home with our best hol-  
iday greetings and we want to let you  
know that we are only one of many who  
admire your pluck and prowess. Good  
luck to you both."  
"IMPERIAL THEATRE.  
"Walter H. Golding, Mgr.  
"St. John (N. B.), Dec. 22, 1921."  
That Hilton was very much pleased  
was evident from his comments last  
night. He is now busy with his Carleton  
rink, which has not got properly started  
yet owing to the rainy weather. He has  
done a most commendable thing in  
allowing school children in free after-  
school and also on two days in the week  
during the holidays. A band will be in  
attendance on Christmas afternoon and  
evening.  
He says he intends to compete in the  
national skating championships in Jan-  
uary and the old war horse may surprise

some of them. Speaking about his plans  
for next summer, Hilton says he is de-  
termined to make Hoover or Kelly give  
him a crack at the title. That he can  
deliver the goods, is the opinion of every  
loyal son of St. John. More power to  
him.

WAS FINED \$200.

Vernon Sharpe pleaded guilty yester-  
day afternoon in the local police court  
to having liquor in his possession ille-  
gally. He was fined \$200 and as he did  
not have the necessary amount with him  
he was sent below while it was sent for.
