GOOD THINGS COMING TO THE THEATRES OF ST. JOHN

SIR JAMES BARRIE'S SWEETEST STORY

"Sentimental Tommy" at the Imperial Today—A Lovely Week-end Bill.

Probably no picture of fair fame has received more spontaneous commendation than Sir James Barrie's "Sentimental Tommy," which will conclude the Imperial's British-Author week today and Saturday. It is a pure and edifying Scotch village fantasy of a youthful lover and the quaint folk of Thrus. Sentimentally the production is charming and in action and story a rare delight. Whole families should see it. Serial story as usual. Ordinary prices.

CONSTERNATION IN CHATEAUGUAY

Allegation in Montreal Paper's Story of Disappearance of Notary.

(Canadian Press)

Montreal, Feb. 3.—The Herald is today publishing a story to the effect that the disappearance two weeks ago of Fortuné Laberge, notary and secretary treasurer of the municipality of Chateauguay, is causing a great deal of consternation as it is alleged that with him there disappeared as well the life's savings of scores of inhabitants amounting to about \$800,000.

Mr. Laberge's insolvency was made public through the bankruptcy court. Ten days prior to that the notary is alleged to have disappeared.

The little town, which is situated about 12 miles from Montreal, on the southern side of Lake St. Louis, is greatly agitated over the notary's disappearance.

McELVANEY-BODMAN.

The marriage of Miss Mary Lelita Bodman and Earl McElvaney, formerly of Fredericton, took place at the home of the bride's parents, Mr. and Mrs. George P. Bodman, Portland, Oregon, on January 16. The bride is widely known in Portland as a member of the staff of the American Red Cross. The groom is a son of Mr. and Mrs. Edward McElvaney of Fredericton, and served four years overseas with a western battalion.

On his return to Canada he spent some time at his home before proceeding to Portland, Oregon, where he is in the service of the Federal Telegraph Company.

The Men's Club of Stone church last night, at its first meeting since organization, had a good attendance. Hammond J. Evans, the president, was in the chair, and the programme took the form of an open debate for or against civic ownership of the Musquash hydro electric power. G. Fred Fisher spoke in favor of civic ownership and Dr. James Manning and W. E. Anderson spoke against it. Light refreshments were served at the close of the evening.

Very little information could be obtained from him concerning his relatives. Dr. Bonfield learned, however, that he had a daughter living at Heron Island, New Mills, Restigouche County, and seeing no hopes for his recovery made every effort to get into communication with the daughter, but without success. R. in 1869 as baggage-master at Point du Chene, and had served in different capacities, having been a condactor, brakeman, baggage-master, yardmaster and freight clerk. He also for a number of

GOOD INFLUENCE OF SCOUT MOVEMENT

Lord Byng Addresses Big Provincial Conference in Toronto.

Toronto, Feb. 3.—"The whole object of scouting and kindred organizations for boys and girls is to build up citizens," said Chief Scout Lord Byng of Vimy, addressing the provincial scout officers who last night were the guests of Sir John Flavelle at his Toronto residence.

The governor-general said Canada was young, and in its development the scouts of the scout movement would undoubtedly exert a wholesome influence.

The evening gathering was the closing session of the provincial scout conference which brought Lord Byng to Toronto. The conference was attended by 200 scoutmasters, and every city and town in the province was represented.

Lord Byng returned to Ottawa last night.

Routine business and a report of the St. Andrew's Day celebration last year occupied the time at the regular quarterly meeting of St. Andrew's Society held last evening in the Orange hall, Germain street. In the absence of the president, S. R. Jack, the vice-president, A. R. Melrose, presided.

The regular meeting of the directors of the Home for Incurables was held yesterday afternoon with Dr. Thomas Walker, the president, in the chair. Only routine business was transacted. A resolution of sympathy in their recent bereavement was extended to the relatives of the late Mrs. J. V. Ellis.
