THE EVENING TIMES AND STAR, ST. JOHN, N. B., WEDNESDAY, JANUARY 28, 1920

POLICE SPORTS A BIG SUCCESS

The policemen's sports in the Victoria rink last night were a grand success from every standpoint, and were witnessed by nearly 2,000 people. The various events were keenly contested and the time made in the speed events were exceptionally good considering that the ice was soft and quite badly cut up.

Charles Gorman, former maritime province champion, carried off the honors in the speed races, capturing every event. The only time he was forced to extend himself was in the half mile race. He had just skated and won the final in the 440 yards, when the half mile event was announced. Although having to

compete against "fresh" skaters he went out and won the race in a grueling finish with Keane. His time was 1 m. and 32.5 seconds, which was exceptionally good considering the condition of the ice. In the 220 yards dash he went the distance in 29.5 seconds, and the 440 yards in 41.5 seconds. In the mile he took it easy until the last quarter when with a fine burst of speed he forged ahead of the field and crossed the line by a safe margin.

Frank Garnett also made a good showing; he won his heat and semi-final in the 220 yards and came second to Gorman in the final. He won his heat in the 440, but in the final stumbled and before he could recover his stride Gorman and Gibbons were well ahead with Dever close behind them. Gibbons showed up well and succeeded in winning second prizes in the 440 yards and one heat in the same event. E. Keane made a good showing in the half mile and also in several of the heats. Joe Dever won his heat in the 440 yards and finished third in the final of the 220 yards and the 440 yards.

Following is the summary:

DANCE ENJOYED.
The dance held by the Seven Seas Chapter, I. O. D. E., last night in the rooms of the Knights of Columbus proved very delightful to a large gathering. The guests were received by Mr. and Mrs. E. A. Smith, Captain and Mrs. A. J. Mulcahy and Mayor and Mrs. R. T. Hayes, who acted as chaperones with Miss Dorothy Jones, regent, as chief couner. Some 300 guests attended and the event was greatly enjoyed.

High Quality Fox Furs 1-3 Off

Fox Furs! The ideal winter fur. 1-3 off present prices is no criterion of the actual money to be saved as manufacturers' prices have advanced sharply for next season.

Why do we make this sacrifice then? Simply because we are not equipped to take the proper care of such high quality furs—having no cold storage vaults or other necessary facilities.

If you are contemplating FURS for next season this is your ideal opportunity.
