

Happy New Year!

Yes, It Surely Is  
A Wonderfully Happy New Year!

And we join with all St. John, with all our dear fellow Citizens and all our heroic allies—in thankfulness that the war is Triumphantly ended.

Let us in this glorious hour, remember those thousands of our brave boys who have paid the full price for world-wide Peace and Liberty.

And now, we look forward to the Blessings of the Rising Sun of 1919—with every hope and confidence that this New Year will be the greatest and most prosperous there ever was. May it bring you all unlimited happiness—this wonderful New Year!

**Food Board Flashes**

It is questionable if one woman out of ten could have estimated a fortnight's food supply in advance for her family before the food restrictions caused her to put housekeeping on a businesslike basis and to figure out her exact needs. Better shopping methods, more first-hand buying, well-balanced meals, a keener sense of food values and better health have all come in the wake of women's efforts to comply with the Food Board's rulings and requests.

**GEE, BUT IT'S GOOD  
FOR A BAD COLD**

Nothing Can Touch Catarrhose  
in Curing Quickly

You may dislike taking medicine—but coughs are best cured without medicine. The modern treatment is "Catarrhose"—it isn't a drug—it's a healing vapor full of pine essences and healing balsams. It spreads over the surfaces that are weak and sore from coughing. Every spot that is congested is healed. Irritation is soothed away, phlegm and secretions are cleared out, and all symptoms of cold and catarrh are cured. Nothing so quick, nothing so sure, so pleasant as Catarrhose. Beware of dangerous substitutes meant to deceive you for genuine Catarrhose. Large size which lasts two months, price \$1.00; small size 50c; sample size 25c, at all dealers.

**Women as Brave As the Men**

THEIR STRUGGLE SHOWS A REMARKABLE SPIRIT.

Talk of the bravery of men, but where can you find a finer spirit than among the half-sick women who are fighting and struggling to do their duty against the terrible odds of ill-health, and who will not give up.

One woman in every three is struggling against weakness. Most of them are not exactly sick, but, oh, how miserable!

The burden and misery of it all has its foundation in the blood which is thin and watery. The red cells are too few. The very stream of life is reduced in vitality. Weakness and inevitable ill-health are the certain result.

Every ailing or weak woman can quickly regain her health in this very simple way. By filling the system with the nutrition that change for the better will result.

To accomplish this, take two chocolate-coated Ferrozone Tablets after each meal. You'll feel better, immediately for the simple reason that Ferrozone renews the blood. It gives you vim, vigor, endurance, restores a tired, worn-out system very quickly.

You'll feel like new all over once you get Ferrozone working through your blood. It puts color into faded cheeks, brightens the eye, quickens the step, brings back that wonderful feeling of youth.

One of the finest things Ferrozone does is to make you eat lots and digest it as well. With keen appetite, sound sleep, strong nerves and lots of nourishing blood you're bound to regain robust health. Any sickly girl or ailing woman that Ferrozone won't make well must be incurable. There is a secret power in Ferrozone and it is worth a trial at all costs. Fifty cents per box, six for \$2.50. At all dealers in medicine, or by mail from The Catarrhose Co., Kingston, Ont.
