## Willard is Acquitted.

Los Angeles, Jan. 16.—Jesse Willard, the heavy weight pugilist, was acquitted by jury today after an all-night deliberation. The charge was the result of the 4th of John Young after a bout at a Vernon Arena with Willard, August 22nd.

By its verdict, the jury sanctions boxing contests such as have been conducted in California since the prize fighting statute was amended in 1909.

San Francisco, Jan. 14.—The Willie Ritchie-Hartley light weight match scheduled for Jan. 23, in this city was postponed yesterday until January 30, at the request of the champion, because of a strained heel tendon. It was explained that Ritchie sprained the tendon in one of his road workouts.

**BASEBALL**  
**Had to Pay Larry's \$600 Bonus.**  
New York, Jan. 14.—When Larry McLean hurried into the New York National League club yesterday and signed one of the new contracts for 1914, he exhibited a check for \$600 from the St. Louis club, the amount of a bonus promised him early last season if he adhered to a strict training schedule.

When Larry was transferred to the New York club toward the end of last season the St. Louis club tried to pass the responsibility of McLean's bonus on to the Baltimore club.

The matter was discussed in Cincinnati by the National Commission, and it was decided that the St. Louis club must pay the bonus as it had promised.

**Frank Smith Goes.**  
Montreal Gazette.—As was intimated several weeks ago, Frank Smith, who has been Montreal's mainstay pitcher for two seasons, has signed to play with the Federal League next season.

Smith received, it is understood, advance money from the Montreal club on a 1914 contract, but he did not sign and it is a question whether he will be legally bound to play here.

A Baltimore dispatch last evening said: Smith has signed a three years' contract with the Baltimore Federal League club, according to advices received today from Pittsburgh.

Smith, it is understood, was being considered for the position of manager of the Pittsburgh Federals, when he signed with Baltimore.

St. Louis, Mo., Jan. 14.—E. A. Steininger, president of the St. Louis Federal League Baseball Club, late last night announced that he had signed a lease whereby the club secured Hadrian Park for an annual rental of \$10,000 with an option to purchase for \$250,000.

**SKATING**  
**Skating Dates Changed.**  
A change in the dates for the American skating championships is announced today.

The indoor championships of America will be held at Cleveland on Jan. 21 and 22. The outdoor championships will be decided at Saranac Lake on Jan. 27, 28, and 29.

The dates awarded to Detroit by the International Skating Union have been rejected by the management of the rink to which they were offered last night, and the dates assigned, do not suit the Detroit men, and the meet probably will be held elsewhere.

Montreal Gazette.—R. L. Wheeler was the star performer in the senior events held by the M. A. A. Skating Club on their rink in Westmont last night. In the 440 yard junior race, P. Murphy, with a handicap of 80 yards, beat C. Lyall, the scratch man, while in the short skate event the latter was victorious.

**Two Women Tell How They Escaped the Surgeon's Knife by Taking Lydia E. Pinkham's Vegetable Compound.**

Swarthmore, Penn. — "For fifteen years I suffered untold agony, and for one period of nearly two years I had hemorrhages and the doctors told me I would have to undergo an operation, but I began taking Lydia E. Pinkham's Vegetable Compound and am in good health now. I am all over the Change of Life and cannot praise your Vegetable Compound too highly. Every woman should take it at that time. I recommend it to both old and young for female troubles." — Mrs. EMILY SUMMERSGILL, Swarthmore, Pa.

Baltimore, Md. — "My troubles began with the loss of a child, and I had hemorrhages for four months. The doctors said an operation was necessary, but I dreaded it and decided to try Lydia E. Pinkham's Vegetable Compound. The medicine has made me a well woman and I feel strong and do my own work." — Mrs. J. R. PICKING, 1280 Sargent St., Baltimore, Md.

Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help these women it will help any other woman who is suffering in a like manner?

## Now Wants The Top Notchers

(FROM T. S. ANDREWS)

Milwaukee, Jan. 15.—Jimmy Duffy, a Buffalo light-weight, who beat Finch terms the eastern champion is out with a pathetic appeal for a match with some of the 138 pound stars, especially Charlie White, Ad Wolgast or Willie Ritchie. "All of the stars have been side-stepping Duffy," writes Bert, "but we are on their trail and will not stop until one of them has been landed. Jimmy has been nearly every light-weight of any class, outside of the big ones. He will meet White, Wolgast, Ritchie, any place, any time, and for any reasonable purse, and will give any of them a side bet if desired. There is no bluff about it as we will put the cash any time they want to come across for a side wager. The Buffalo clubs have tried hard to get these stars to box Duffy, but they have all "had engagements" when approached."

If Jimmy is unable to make connections with the shining stars he will have no trouble in looking up with Pal Brown when the latter returns from Australia, which has been for many years a comfortable home for two families, was bought and the house, remodelled, but for what purpose? Another place not far away, was built for the same object and there is also another place on this road—three houses of ill-fame within two miles.

THE ROAD HOUSES.  
To the Editor of the Times:—Sir:—A good deal of discussion has been going on of late about this matter and it is to be hoped active steps will be taken to remove the traffic as carried on in and near St. John's.

We have been reading of methods taken to obtain girls from the States in American and Upper Canadian cities and the items are featured in our daily papers but do we in St. John really have the right to allow the traffic to be taken to remove the traffic as carried on in and near St. John's.

Notices, for instance, the houses used for this purpose, and their location, they are mostly in one district and that the main thoroughfares out of St. John. Two years ago a farm on one road

**WOULD COUGH SO HARD Would Turn Black In The Face.**  
A cough cold is one of the most dangerous kind. It leaves the throat or lungs, and sometimes both, affected if not taken care of immediately.

Obstinate coughs and colds yield to the grateful soothing action of Dr. Wood's Norway Pine Syrup, containing as it does all the lung healing virtues of the Norway pine tree.

Mrs. C. J. Selig, Dartmouth, N.S., writes:—"My little boy, six years old, had a dreadful hard cough. At night time he would cough so hard he would turn black in the face, and at times he would cough an hour before he would stop. I tried different cough syrups, but they did him no good. The little fellow was wasting away, as he could not eat or sleep, the cough troubled him so. I got a bottle of Dr. Wood's Norway Pine Syrup, and it did him so much good I got another. Now I am only too glad to be able to write this to tell how thankful I am, and to tell every mother to use nothing else."

Price, 25 and 50 cents.  
Be sure you get "Dr. Wood's" when you ask for it. See the trade mark; the three pine trees.

Dr. McLaughlin's Electric Belt  
Has Restored His Lost Health

This is the way they fell, the men who have given up hope, who thought there was no cure for them until they came upon Dr. McLaughlin's Electric Belt. Now they are full of life, overworking with joyous spirits and "give to the winds." Pains are gone, weakness is gone, and full vigor is in every action.

Do you want to feel like that? Then wear this grand life-giving appliance for two months at night. It will charge every nerve with electric life and you will feel like a two-year-old. It puts steam into your run-down body and drives away pain and renews youth.

Mr. James Way, Otter Lake, Que., writes me a few days ago as follows:—  
Dear Sir,—"Words would fail to tell you the good that your Belt has done for me. At the time I got it, had been an invalid for nearly two years. Some of the ailments I had for over twenty years. Well, Doctor, I often say—God bless you—and thank God that ever such a thing was discovered by the art of man. The Rheumatic pains prevented me from sleeping or walking. One night, when suffering greatly and could not sleep, I placed it around my leg, and after 6 hours' sleep I awoke as free from pain as when 10 years old. The next night I applied it to the other leg with the same result, and have not had any pains since. It is doing its work and I won't sell it or exchange it for any other Belt. I expect that through my recommendation you will sell not less than a dozen Belts, as a great

many came to me to find out the results in my case and found me walking and working, the same as 30 years of age. I told them that it was Dr. McLaughlin's Belt that had done it all. Now, sir, you can use my name in any way, as I am prepared to vouch what I say is true. Hoping the Lord will bless you and that you will be ever successful in your business."

Another gentleman just over the line, Mr. James McGregor, Island Pond, Vt., writes me yesterday to say:—  
Dear Sir,—The Belt that you sent me a year ago has worked wonders, and I can recommend it to any one wanting a Belt of this kind. It is no sham."

You can believe my word or not, as you like, but these men speak from experience, and if it weren't for the prejudice in the minds of people generally against treatment by an electric belt, I would not be able to fill all my orders.

Here is the cure for men who have begun to grow old, who have lost the vigor, the courage, the ambition and strength of early days. It is the latest improvement on the electric appliance, which has always stood at the head. There are 50,000 men who proclaim that Dr. McLaughlin's Electric Belt cured their weakness after drugs and other remedies had failed! Why do you drug your system when you know this grand belt will cure as it has cured thousands like you?

WAS TROUBLED WITH  
Weak and Dizzy Spells.  
Heart Would Beat Something Awful.

Those feelings of weakness, those dizzy spells which come over people from time to time, are warnings that must not go unheeded.

They indicate an extremely weakened condition of the heart and a disordered state of the nerves. One dizzy spell may pass off, but eventually they will come frequently, and at the same time more serious.

Those who are wise will start taking Milburn's Heart and Nerve Pills before their case becomes hopeless, for they have no equal for restoring the heart to its usual strength, and making the nerves firm and steady.

Mrs. Len Kinney, Moose Mountain, N.B., writes:—"I was troubled with weak and dizzy spells, and my heart would beat something awful. I got so I had those spells every day. I got so I would try one medicine, and then another, but nothing did me any good until I got Milburn's Heart and Nerve Pills. I can safely say they did me more good than anything I ever took, for I feel like a very different woman. My friends often ask me what I have been taking, and I always say 'Milburn's Heart and Nerve Pills.' I tell all my friends who say their heart troubles them, to take your pills."

Price, 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

If every mother who reads this would follow this course the facilities for their boys and girls going wrong would be that much lessened. And if only just a few of the active members of the above named organizations would tell the councillors that these deeds had to be permanently closed it would have the desired effect.

The county council meets next Tuesday, January 20th and if you, and you, are interested, speak, write or telephone to the councillors on this subject, ask your friends to do the same and thus realize that you have done your mile towards removing the traffic from the vicinity of St. John.

Yours truly,
