Health and Beauty Answers
(By Mrs. Mae Martyn)
Mattie: I cannot praise any one kind of soap; there are many good ones.
Adela: You are quite right in being "finicky" about your hair; it is for just such particular people as you that I always recommend canthrox. Its use will cure dandruff and make your "straight" locks full of vitality and fullness—much more attractive than artificial curling. Make this shampoo at home by dissolving a teaspoonful of canthrox in a cup of hot water. It is the most pleasing and effective shampoo I have ever tried.
Cinderella: This is the best neck bleach I know of. Dissolve 4 ounces of sprunax in half a pint of hot water, add two teaspoonfuls of glycerine, let stand until cold, then cork tightly. Then apply to the neck, face, hands and arms, rubbing lightly until dry. You will find a great change in the length of time this preparation stays on and it seems a part of the skin. It is a splendid liquid powder, easily prepared at home. This will not only give you a firm, healthy skin, but it is extremely beautifying, and entirely harmless.
Anne M.: Your rebellion against the "fat-and-forty" idea meets with my hearty approval. I have often advised against the carelessness which allows so many women to lose the figure while yet young and it is so unnecessary. Just get 4 ounces of paraffin, dissolve it in 1 1/2 pints of hot water, strain it, and take a tablespoonful three times daily. It reduces weight slowly enough to permit a gradual tightening of the skin so there is no danger of sagging muscles and loose tissues. Exercise mildly and bathe often, but the treatment requires no vigorous diet.
Alice M.: The eye-trouble you describe, like most eye troubles, is caused by neglect. Get an ounce of crystals at any drug store and dissolve it in a pint of water. Put two or three drops daily in each eye. You will be amazed to note how the tonic will brighten and beautify your eyes and add youthful cleanness. It will not smart, or burn, and will doubtless make you all further weaness.
Hattie L.: You are rather young to worry about losing your good looks, but you are wise, however, in taking every precaution against the loss of your complexion and the coming of premature wrinkles. Keep the skin firm and the complexion clear with nightly application, using this simple, inexpensive preparation. Mix together an ounce of alcohol, two teaspoonfuls of glycerine and 1/2 pint of cold water. Stir and let stand for a few hours. This will give a healthy resistance to oily conditions of skin. Try this faithfully for awhile, and note how it encourages the natural contour with out undue flesh. Many have found in it a return to skin-health.
T. Y. L.: Indeed, dandruff is an unsightly thing, besides preventing the growth and beauty of the hair. Most of the "dope" on the market is, as you say, helpless to cure the trouble. I am certain you can do wonders to beautify your hair and get relief from that itching scalp by the use of this tonic which you, yourself, can prepare. In 1/2 pint alcohol dissolve one ounce quinaoin. Add 1/2 pint water and rub well into the scalp. While at the drug store for quinaoin also get some canthrox for shampooing.
Mrs. McD.: Your "dragged out" feeling is probably only due to lack of strength and all you need is a good tonic to brace you up. Here is an old-fashioned remedy which will not only make you feel better but make you look better. Dissolve half a cup of sugar and one full quart of the mixture. Take a spoon before each meal. This will ensure proper digestion, an active liver, free elimination and by cleaning out the blood will keep your skin and brighten your eyes.
