CROWDS FLOCK TO OFFICE FOR DICTIONARIES

Popular Approval and Quick Acceptance of Great Offer Made by The Telegraph and Times.

Popular approval and quick acceptance of the unprecedented dictionary offer made by The Telegraph and Times which enables every one to obtain a standard, authoritative and complete dictionary of the English language at a cost never before deemed possible, has almost swamped the dictionary office with the demands of readers for this remarkable book. Never before in the history of the world has an authoritative edition of the famous Webster's Dictionary been offered to the public under such remarkable circumstances. Here, in a compact volume, is offered all the information concerning word definitions, grammar, usage and literary guidance which even the most fastidious scholar could demand. The dictionary offered by The St. John Telegraph and Times for six consecutive coupons clipped from The Telegraph and Times and the nominal charge of handling is the most remarkable work ever placed on the market. Besides giving definitions of all the words of the language, which the average man or woman would never have occasion to look up, it includes valuable charts of statistics regarding the commerce and productive resources of Canada, the latest census and hundreds of illustrations, many of them in the form of costly color plates, which are both interesting and instructive. Every new word recently coined and dropped by custom has been included. For example, the word "oleator," taken from Professor Oler, who would chloroform people at the age of forty-five, when, according to his theory, they have outlived their usefulness. Also there are aviator and biplane and transform and stovaine and taxicab and equilibrator, all of which have recently come into use by stress of necessity. The illustrations are the most complete

elaborate and expensive that have ever appeared in a dictionary.

An Encyclopaedia as Well In fact, Webster's New Illustrated Dictionary, now obtainable at such a nominal rate from the office of The Telegraph and Times is an Encyclopaedia and Almanac as well as a dictionary. All that is asked is that you come and look at it. There is no reason to take it until you see it. But those who come to see it invariably go home to save the six consecutive coupons, which, in connection with the small expense bonus, entitles any one to a copy of the work.

MORNING LOCALS

A telephone call from Douglas avenue last night about 8:30 o'clock, brought the chemical engine and No. 5 hose company to a fire in a barn at the rear of James Kennedy's house in Douglas avenue. Two men are reported to have been seen entering the barn, but the witness to their action was unable to tell who they were, as he was too far away. Little damage was done to the barn. Policeman James Collins, who has been on the force for about six months, resigned yesterday afternoon. He was a good man at the work. The tea and sale held yesterday afternoon by the Loyalist Chapter, Daughters of the Empire, was well attended and proved very successful. The doll was won by ticket No. 49. The supper and fair being conducted by Dominion L. O. B. A., in Simons street hall is meeting with much success. An other large crowd was present last evening. Supper was much enjoyed, and the games and booths were well patronized. A party of about twenty-five ladies and gentlemen visited the Boys' Industrial Home last evening and provided an enjoyable evening for the boys with a musical and literary programme, at the close of which refreshments were served. Hon. R. J. Ritchie presided.

Had Pimples on Face And Back Was Literally Covered With Them.

Bad blood is the direct cause of pimples breaking out on the face and body, and it is impossible to get rid of them unless you cleanse the blood of all its impurities. Burdock Blood Bitters is without a doubt, the very best medicine for this purpose. This old and reliable remedy has been used for over thirty-five years, and has a reputation unequalled by any other for purifying the blood. Mr. Peter La Pierre, Assistant Postmaster, Touchwood Hills, Sask., writes: "The fall before last, I was very much troubled with pimples on my face and back. My back was literally covered with them, and I could not lie on it at night, they were so painful. One day my sister advised me to use Burdock Blood Bitters, so I got two bottles, and before I had taken all the first one, the pimples had nearly disappeared, and now I am completely cured."

Microbes in Your Scalp Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk. Professor Unna, of Germany, and Dr. Sabouraud, the great French Dermatologist, claim that a microbe causes baldness, and their theory has been verified by eminent scientists. This microbe destroys the hair follicles, in time causing the scalp pores to close and the scalp to become shiny. Then, it is believed nothing will revive the growth. If treated before this occurs, baldness may be overcome. We know of nothing that has given such universal satisfaction in curing the scalp and hair as Rexall's "93" Hair Tonic. It has been designed after long study to overcome the cause of falling hair as discovered by Prof. Unna, Dr. Sabouraud and we believe it will do more than anything else can to remove dandruff and stop falling hair; and if any human agency can promote a new growth of hair it will do that, too. We want you to make us prove it. We will pay for a month's treatment of Rexall's "93" Hair Tonic used during a trial, if you will use it according to directions, and are not thoroughly satisfied. When we will do this, you surely should not hesitate to at least try it. Start the treatment today. Your mere request will get your money back if you want it. Two sizes, 50c and \$1.00. You can buy Rexall's "93" Hair Tonic in this community only at our store: Wasson's 3 Rexall Drug Stores King St., Main St. and Baymarket St.

THE HOME PHYSICIAN Dr. Morse's Indian Root Pills Cure Most of the Family's Ills.

Perhaps if the children, and the "grown-ups" too, always ate exactly the right quantities of exactly the right things, at just the proper times, and in proper way obeyed the rules of health, there would be no sickness in the family, and no need of medicine. But they never have and probably never will, so in every family there are sure to be more or less frequent attacks of sick headache, biliousness, indigestion, constipation, and kidney and liver troubles, and occasionally some one is "sick in bed". It is worth a good deal to the mother, then, to have on hand that perfectly safe and reliable remedy for these ills — Dr. Morse's Indian Root Pills.

They invigorate those organs which cleanse the body of waste and impurities, regulating the bowels, stimulating the kidneys and opening the pores of the skin. Thus Dr. Morse's Indian Root Pills cure the common ailments and keep the family healthy. This they have been doing for over half a century in every part of the world. 25c. at all dealers or from W. H. Comstock Co., Ltd., Brockville, Ont.

This Is Boys' Day As Well As Men's

There are sermons in stones—also in teeth. We'll choose the latter for our text. But if everyone used Pebecco Tooth Paste there would be no further need of sermons, preachments or parables on the proper care of the teeth. Pebecco Tooth Paste solves the problem by ridding the mouth of the enamel-destroying acids. "Acid-Mouth" is the dreaded thief which experts now agree is the cause of 95% of all tooth decay. Pebecco Tooth Paste arrests this acidity of the mouth—even destroys the acid-producing bacteria themselves. You have not settled the problem of your teeth by merely keeping them white, clean and polished. Pebecco Tooth Paste will SAVE them. Lyman Bros. & Co., Ltd. Toronto.

GIVE the boys new clothes as well as the men. The boy who never gets more than his father's pants will never get more than his father's chance. Give your boys their own individuality, their own pride in good dressing. This is the end of the second week in April. It's time for everybody to have new clothes. Everything Spring has already sprung. Every shrub and root and tree has asserted itself. Man is the only slow thing in the Spring. But now the last day for old clothes is here. If you don't get new clothes this week, you can't blame your wife next week if she runs away with the janitor. She will only be showing a finer discrimination in men. Every store is just running over with good things to wear. And all of those good things are being advertised in this paper today. If you will look through this advertising you will find where to get your new Spring shoes, and your new Spring clothes. You'll learn what kind of hats are being worn, and where they are being offered for sale. You'll learn where to get the right kind of clothes for your boys, and the amount you ought to pay. The advertising today is a science. It not only presents the best stores to your attention, but these good stores present the best styles to your attention; and in every case they give you the lowest possible price for good merchandise. No store that doesn't advertise can possibly compete in price or in merchandise with the ones that do. It isn't within reason to suppose that they can. You only have to turn the pages of this paper to find all the best values in clothes and shirts that are being offered in this city. You and your family are going to buy your Spring outfit now anyhow, so you might as well get the most out of your money, both in quality and in price.
