Canoe Pass fifty-five and on the north arm of the river, twenty-seven fish. The Pacific American Fisheries Company of Bellingham secured fourteen thousand fish on Monday, three thousand of them being from Lummi Island, three thousand from the salmon banks, and eight thousand from various points on the Gulf. The Sound seiners were doing very little on the same day, as few fish were jumping. Sockeyes are now running at Rivers Inlet, and on Scturday last the average was between forty and fifty fish to the boat. Some boats secured as many as one hundred and twenty-five fish. The weather has been fair, and everything points to a successful season.

phecies.

The canneries on the inlet had about welve thousand cases up to last Saturday night. On the whole local canners believe that the indications could not be more favorable. They do not expect a heavy run, but look forward to a good average one. Their opinions all appear to coincide in this, so that the prediction may be given as much credit as it is

SERIOUS ACCIDENT. Small Boy Victim of Runaway Near

Rock Bay Bridge at Noon To-day. (From Thursday's Daily.)

Some excitement was occasioned in the vicinity of Rock Bay bridge at noon to-day by a runaway. the outcome of which might have been fatal to one person concerned. While standing in front of the grocery store on Work street, just at the far end of the bridge, one of Walsh Bros.' truck teams was frightened by the approach of an automobile. They started to jump about, and finally broke into a gallop. The driver. E. Walsh, was within the building. Seated in truck was a small boy. When the horses started away the boy commenced crying, and Walsh rushed to the street, too late to interfere. The waggon was dashed against a telephone post before reaching the bridge most over the bridge, and then fell. reports, he will recover little the worse
