NOTICE TO MARINERS.

The following notice to mariners, sul Hitted to the agent of marine by William H. Burger, U. S. coast and geodetic sur-vey, has been approved: Commencing on Saturday evening

Sept. 12th, 1908, and until further notice, there will be posted on the high point of Discovery Island, for surveying purposes, a white light, fixed (acetylene). It will be lighted about the same time as the light at the lighthouse on Discovery Isl-and, and will remain lighted for 3 to 5 hours at night. The light is located about 200 yards north of the lighthouse and will be visible from Enterprise Channel at north end of Trial Island to William Head light, and for a short distance on each side of this line. Light shows

NEIGHBORS' QUARREL AIRED IN COURT

Magistrate Jay Gives Advice in Training of Children.

(From Thursday's Daily.)

An instance of strained relations between neighbors on Spring road, due to stone-throwing propensities on the part of the juveniles, led to a police court case which occupied close on two hours in the hearing this morning. Johannes Asgeir Lindal accused Christans B. George and Thorolfue H. Sivertz of having committed an as-sault upon him in his own house on Aug. 27th. The complainant proved rather quarrelous and the combined efforts of Magistrate Jay and City Prosecutor Moore were unable to keep him from making long explanations and entering into all the harrowing details. According to his story, which was assisted by a sketch plan of the im while George kicked him. remember half we said.
