HOLLOWAY'S PILLS.—Bilious headache, and all affections of the system which result from an insufficient or immoderate flow of bile, are at once relieved by the operation of Holloway's Pills.—Dyspepsia and liver disease are inseparable; for the stomach and the liver always sympathise, and as this great medicine acts powerfully upon both these important organs, it performs the work of cure with a precision, rapidity, and thoroughness which have no parallel in the records of medical practice. The pills may be relied upon with the utmost confidence in cases of diarrhœa, dysentery, cholera morbus, spasms of the stomach, cholera infantum, and all other disorders affecting the digestive organs and the bowels.
