Woodstock, June 9.—Owing to a heavy rain storm the ball game between Calais and Woodstock was delayed until tonight and proved to be an interesting contest, the former winning out by a score of 4 to 3. The batteries were Calais, O'Neill and Watt; Woodstock, Stinson and Mayo.

Woodstock was coming strong at the end and would most likely have won out if the game had gone the nine innings, but an arrangement was made to play only seven innings. Nine hits were made off Stinson and eight off O'Neill. Following is the box score:—

KEEN SPORT EXPECTED IN GAME TODAY

Today's game between the Marathons and the fast, hard-hitting Fredericton team in the N. B. and Maine baseball league, promises to be a most interesting one. The last time these teams met on the St. John diamond, the Marathons, with Graverson in the box, won. The following day, Fredericton on the Fredericton grounds, took the revenge. Today Graverson will pitch for the Greeks and will be opposed by Big Bill Duval. A change has been made in the Marathon line-up, Fraser going from shortstop to third base, and Shannon playing short. The Marathons batting order will be as follows: Fraser, 1b.; Graverson, p.; Parley, 2b.; Donnelly, 1b.; Shannon, ss.; D. Malcolm, 1c.; Estelle, rf.; Riley, cf.; Rootes, c.

The game will start at 5 o'clock sharp and will doubtless be very largely attended.

Tom Parley, who plays second base for the Marathons, will leave after the game today for Haverhill. Parley who is a member of the Haverhill club in the New England league, is still held by that team and has been ordered to report for a few days. The Marathon management say he will be back in this city in a short time. While away Parley will look out for one or two good men for the Greeks.

WELL, WHAT DO YOU KNOW ABOUT THIS?

Special to The Standard.

Halifax, June 9.—Despite the fact that the St. John newspapers have stated that Jack Copeland, the Social's shortstop, has decided to play for the St. Johns, this said Jack will not leave Halifax for some time. He is going to play for the Socials tomorrow and from what can be learned, will be with them the rest of the season. Jack is making good money here. He is well pleased with Halifax and the Halifax fans are delighted with him. Therefore it is very doubtful if St. John will see him again until he visits that city with a Halifax team.

EMERSON AND FISHER TEAM WANTS A GAME.

The Emerson and Fisher baseball team wish a game with the John E. Wilson team, and state that they will play at any time or place, and would like an answer through The Standard.

NOTES OF SPORT.

Let Britt, Nelson and other come back. Harry Forbes spent a year at hard training before he was there. He didn't fight until he was fit and then showed his class. Careful preparation has won him many battles since he began his new campaign.

Tommy Dixon, southern featherweight champion, will meet Joe Rivers, the Mexican, at Kansas City, June 18.

Sheldon Lejeune, champion long distance thrower and minor league clean-up hitter, has been sent to Chattanooga, by Brooklyn.

By defeating Morris Harris, Jim Stewart has taken a fresh grip as a white hope.

Detroit getting eight hits, and beating the Athletics who made 19, demonstrated that the brand used by Jennings will win 9 times out of 10.

Sam Leever, Pittsburgh veteran, has joined Joe Cantillon's team of ex-major league stars, in Minneapolis.

Only about 200 points between the first and second place in the American League.

At the White Sox park a loud voiced announcer with a megaphone, tells the fans who the batteries for the day are. This beats the dulcet tones of an un-megaphoned umpire.

Amateur and semi-professional pitchers seem to pitch few hit games, although their professional brethren continue to be lambasted. Can it be they are not getting the same ball in use in the pay as you enter game?

Spec. Harkness, the ex-consort from mass, seems to have discovered the secret of keeping the lively ball from being hit consecutively.

THE ST. JOHN POWER BOAT CLUB RACES

The executive and sailing committees of the St. John Power Boat Club, at a meeting held last night, made the final arrangements for the races to be held today at Indiantown. The first race will begin at 2 o'clock and will be for the 25' class for the Executive Cup. In addition to the winning a chance for the cup there will be two other prizes.

The second race is at 3 o'clock and is for skiff boats—two prizes will be awarded for the two first finishing in this.

The third race at 3:30 p.m., is the much talked of freak race, a very handsome prize has been offered for this, consisting of a combination side and head light in brass.

A large number of entries have been received and much enthusiasm has been aroused among the members over the first series held this year.

The course used will be course No. 1, known as the harbor course, the boats of the contestants being in full view of the Indiantown shore from the time of starting to the finish.

The officers of the day will be: Mayor Frank Recorder Baxter, Ald. Wisnoro, Ald. McGoldrick and D. C. Clark.

Captains are requested to have their boats at or near the starting line promptly so that there will not be any delays in starting.

GIRL GOLFER IN TEENS SUDPRISE OF TOURNEY

MISS ALEX STIRLING

ATLANTA, GA., May 4.—A 13-year-old girl was the sensation of the first annual tournament of the Southern Women's Golf association, held here, when Miss Alex Stirling, of Atlanta, is the phenomenon. She won the low medal score, and went to the semi-finals defeating several of the best women golfers of the south—and was only vanquished by Mrs. Rogers-Smith, of Nashville, who won the championship.

Besides running away with the low medal score, she won the driving contest and the approaching and putting contest.

If the Southern Women's tournament next year doesn't have players under 21, Little Alex Stirling bids fair to be Dixie's champion.

AND MAYBE IT DON'T TAKE NERVE!

FIREMAN JIM FLYNN WILL TRY OUT CARL MORRIS, SAPULPA "WHITE HOPE"

JIM FLYNN.

Jim Flynn the ripping, tearing, snorting fireman fighter, who battered the California giant, Al Kaufmann, into helplessness, thus looming large as a candidate for heavyweight honors, will test the mettle of Oklahoma's pride, Carl Morris, July 4.

Right here please forget July 4, 1910 ever happened.

The Flynn-Morris waltz ought to be a hummer. It will be if Flynn lives up to his reputation and Morris is willing. The Oklahoma giant has been moving down a lot of men who were fighters at one time, but who had overcome the habit by the time he got them. In Jim Flynn he will meet the first live wire he has ever taken hold of and he may be shocked.

Flynn doesn't care how big or how fast they come. Like Fitzsimmons, of tender memory, he believes that the bigger they are the harder they fall, and he can be depended upon to carry the milling to Morris with the regularity of a hod carrier toting brick—and a deal faster.

the heavies from the middles. Further on in the story the Referee states that certain parties near the scales the night that Papke weighed in saw him tip them at 194 pounds.

ROYAL HOTEL WON.

There was a warm game of ball on the Marathon grounds yesterday afternoon when the Royal Hotel nine defeated the Dufferins by a score of 13 to 12. The lineup of the teams was published yesterday and every man was on deck with a great desire to win the game for his team. There was some good playing at times, but like many games of ball, the players have their off days, and of course the hotel men had theirs, and some of the playing was sensationally ragged. It was a hard fought battle throughout and the Dufferins are not satisfied, but wish satisfaction.

ABE ATELL WILL DEFY THE DOCTORS

Abe Atell is going to defy the doctors and nature early this month by entering the ring again.

Only a couple of weeks ago Abraham informed us that the medical doctors, after a good inspection of his busted collarbone, declared that he would be forced to do the simple life thing for six months or a year.

Abe played the boards for a couple of weeks, but just can't keep his feet still when he hears the jingle of coins. Tym O'Hourke made a nice little offer to Abe if he would box K. O. Brown on June 8, and Abraham accepted.

If he can get away with it the quarrel should be a hummer, but if Abraham should bump the collarbone again it's going to be a frosty frost of the first water.

If Billy Papke is really as big as he looks, then we can believe the stories from Australia that he is a full-fledged heavyweight and a prospective opponent for J. A. Johnson.

In one of the English papers received today is a picture of Papke seated at a table, and, on the level, he looks as big as Jeffries. In another mail we received a copy of the Sydney Referee.

In speaking of the recent bout with Dave Smith, the Referee declares Papke was forced to forfeit \$500 for not making the weight (160 pounds).

Just why the middleweight limit was raised for this bout is not explained, but as Papke couldn't do even that high weight we are inclined to believe that he has jumped up to

VICTORIA HOTEL TEAMS ANXIOUS FOR BALL GAMES.

As a sequence to the victory which the Royal hotel baseball artists won over the Dufferin boys yesterday afternoon, the Victoria hotel aggregation is after the scraps of the Royals, and wish, through the columns of The Standard, to offer a deft to the winners of yesterday's game, and challenge the Royal hotel team for the championship among the hotel teams, at any time or any place convenient. The Victoria team has submitted its line-up to the sporting editor, and it is said to be a formidable one.

ST. PETER'S WON IN THE INTERSOCIETY LEAGUE.

St. Peter's, A. O. H. 2, was the result of last evening's game in the Intersociety league. The game was watched by a large crowd and the spectators were treated to some fast playing. The weak spot in the game was Tracey, the A. O. H. baseman, whose loose work cost the team the game. The batteries for the St. Peter's were Hansen and Sharkey, and for the A. O. H., McIntyre and Coughlan.
