ELECTION CARD

To the Electors of the City of St. John:

Ladies and Gentlemen,—Now that the New Charter has materialized I have decided to accede to the earnest solicitation of the citizens in general to become a candidate for the Mayoralty at the approaching Civic Election. During the eight consecutive years you so loyally supported me, I think I faithfully and impartially discharged my duty (at least I have heard nothing to the contrary). I also will be pardoned if I assume the credit of having made a banking agreement that has saved the city thousands of dollars and of launching a system that has helped to bring about the very strong financial position that the city now enjoys. The re-organizing of the Chamberlain's Department was also a distinctive feature during my term of office. I am not out with any cheap pre-election promises. If you support my candidature my aim will be to give you the best that is in me and that will mean a lot and decidedly to the advantage of the city.

The Board of Trade should be encouraged in their endeavor to induce new factories and business houses to locate here and in order to bring this about in these days of keen business competition, we must have something to offer, something for the manufacturer and something for the men employed by him. Furthermore a more persistent effort is required seeking for the nationalization of the port. The Railway and Harbor facilities are to be expanded—never before equalled in the City's history and with the growth of our population and community—Civic business will certainly assume larger proportions and your representatives increased responsibilities. Personally I will see that the future is not jeopardized by extravagant expenditures and contracting of debts. I think all are bound to admit that an active, successful business man and one who is well versed in Civic matters is a pretty good combination. If I did good work before, I stand to accomplish even better results under the new order of things.

Thanking you in advance for your vote and support,
T. H. BULLOCK.

SPROUL FOR COMMISSIONER

Ladies and Gentlemen:

I have enjoyed for two years the confidence of the electors as the representative of Sydney Ward in the Common Council. During that period I have given generously of my time to a study of civic matters and, as a result, have acquired a knowledge and experience invaluable to any candidate who desires to become a commissioner and who may be called upon to undertake and discharge the enlarged duties and responsibilities. I have always favored a new form of civic government.

Under these circumstances I would respectfully solicit your support.

JOHN B. JONES.
