**FOR SALE**

**THE SACKVILLE WOODWORKING COMPANY** offer for sale as a going concern, its Woodworking factory and lands at Sackville, N. B.

The factory consists of a main factory building, two warehouses, dry-house, and engine house. The buildings are well arranged and equipped with suitable machinery in good running order. The property contains eighteen acres of land situated just opposite the C. P. Railway Station and near the public wharves of the town, with railway siding and public roads adjoining the property.

It is practically assured that the Dominion government will acquire the N. B. and P. E. I. Railway, and that in the near future traffic between Prince Edward Island and the mainland will come by way of Sackville. Also that natural gas will be available for power purposes during the coming year. These features should make the property an especially desirable one.

To eradicate wrinkles, here's a marvelous effective treatment which also acts naturally and harmlessly: Dissolve a or powdered saxolite in 1/2 pt. witch hazel and use as a wash lotion.
