

3 ST. JOHN MEN RECEIVE B.C.L. AT WINDSOR

Attendance at King's College
Convocation Smaller
Owing to War.

SEVERAL HONORARY DEGREES CONFERRED

Dr. W. S. Carter and Dr.
Borden Among Those on
Whom Honorary Degree of
D.C.L. was Conferred.

Windsor, N. S., May 11.—There was not the usual attendance at the convocation exercises at Kings College this afternoon on account of the absence of so many students enlisted for overseas service, but the ceremony was marked by the usual dignity and order. Sir Charles Townshend, chancellor conferred degrees as published yesterday and in addition the following honorary degrees:

Rev. Temple Stannage Boyle, M. A. (Tor D. D.) Trin. D. C. L.

Honorary D. C. L.
Dr. W. S. Carter, chairman of Senate, University of New Brunswick; Professor A. H. Young, dean and senior professor Trinity University, Toronto; Rev. Dr. H. P. McPherson, president and rector at St. Francis Xavier University; B. C. Borden, D. D., president of University of Mount Allison College.

Degree of B. C. L.

The students from the law school received B. C. L. degrees as follows: Edward H. Hanneberry, Thomas Edmund O'Leary, Jas. P. Mooney, Leslie Gordon Bell, Wm. M. Farrer, Alfred Bartelme.
Canon Cowie gave the alumni oration. He spoke of the high tone of college and its place in Canadian life and the life of the empire. He regretted the fact that the chief influence of the present is commercialism. Our architects build colossal towers for merchandise instead of artistic buildings devoted to art and literature, commercialism was important but not the best thing in life.

Dr. Carter, chairman of the senate U. N. B., gave an address emphasizing the advantages of small colleges.
Dr. McPherson, president St. Francis Xavier, made a telling address. He said it was the aim of all our institutions to build up Canada and the empire.

Dr. Borden, president of Mt. Allison, was also heard in a good speech.

MILITARY FUNERAL AT DORCHESTER

Pte. Ernest G. McFadden, of
145th, Buried With Full
Military Honors—Citizens
also Pay Tribute of Respect

Special to The Standard.

Dorchester, N. B., May 11.—Dorchester recorded the first military funeral in its history today. The body of Private Ernest G. McFadden of the 145th Battalion, whose death took place in the Moncton city hospital, after an illness extending over a period of more than three weeks, from measles with complications, was conveyed to Dorchester by the noon express. The remains were met by the Dorchester platoon with a firing squad and two buglers. The procession formed and the remains were conveyed to the Dorchester Cape cemetery, where the interment took place. Capt. Rev. Geo. A. Lawson, chaplain of the battalion, conducted the committal service. The final salute was fired by the squad according to military custom and direction. The buglers sounded the "Last Post" in a profoundly impressive manner. While the funeral cortege was passing through the town business was suspended, flags were half-masted on public buildings and private residences out of respect to the memory of the young man the major part of whose life was spent in Dorchester and vicinity.

Thin Men and Women

Here's a Safe and Easy Way by Which You May Gain 10 Pounds or more of Solid, Healthy, Permanent Flesh.

Thin, nervous, undeveloped men and women everywhere are heard to say, "I can't understand why I do not get fat. I eat plenty of good nourishing food." The reason is just this: You cannot get fat; no matter how much you eat, unless your digestive organs assimilate the food-making elements of your food instead of passing them out through the body as waste.

What is needed is a means of gently urging the assimilative functions of the stomach and intestines to absorb the oils and fats and hand them over to the blood, where they may reach the starved, shrunken, run-down tissues and build them up. The thin person's body is like a dry sponge—eager and hungry for the fatty materials of which it is being deprived by the failure of the alimentary canal to take them from the blood. A splendid way of working to overcome this sinful waste of flesh-building elements and to stop the leakage of fats is to try Sargol, the famous flesh building agent that has been so widely sold in America in recent years. Take a little Sargol with every meal and see if your cheeks don't quickly fill out and rolls of firm, healthy flesh form over your body, covering each bony angle and projecting point.

All good druggists have Sargol or can get it from their wholesalers, and will refund your money if you are not satisfied with the gain in weight it produces as stated on the guarantee in each large package. It is inexpensive, easy to take, and highly efficient. If you find a druggist who is unable to supply you send \$1.00 money order or registered letter to the National Laboratories, 74 St. Antoine street, Montreal, and a complete ten days' treatment will be sent you postpaid in plain wrapper.

NOTE:—Sargol is recommended only as a flesh builder, and while excellent results in cases of nervous indigestion, etc., have been reported, care should be taken about using it unless a gain of weight is desired.

GIRL COULD NOT WORK

How She Was Relieved from Pain by Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I had pains in both sides and when my periods came I had to stay at home from work and suffer a long time. One day a woman came to our house and asked my mother why I was suffering. Mother told her that I suffered every month and she said, 'Why don't you buy a bottle of Lydia E. Pinkham's Vegetable Compound?' My mother bought it and the next month I was so well that I worked all the month without staying at home a day. I am in good health now and have told lots of girls about it."—Miss CLAUDE MORSE, 22 Brunswick Street, Taunton, Mass.

Thousands of girls suffer in silence every month rather than consult a physician. If girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion would take Lydia E. Pinkham's Vegetable Compound, a safe and pure remedy made from roots and herbs, much suffering might be avoided.

Write to Lydia E. Pinkham Medicine Co., Lynn, Mass. (consultant) for free advice which will prove helpful.
