WOMEN'S CANADIAN
CLUB EXECUTIVE

Lectures to be Held in the Near Future Arranged at Meeting of Executive Yesterday—Good Work Going On.

Plans for many activities were made at the executive meeting of the Women's Canadian Club held yesterday morning at the residence of Mrs. H. A. Powell, Queen Square. It was announced that Rev. Professor Falconer, D. D., of Pinehill College, Halifax, will address the club in May on Jerusalem, Old and New, and that the Right Reverend Bishop of Fredericton will address the united Canadian Clubs later on his experiences in England and France. Mrs. P. C. Beattie reported that money was being forwarded as usual to the special war prisoners and that friends of the prisoners were corresponded with.

Miss Clara McGivern was appointed representative of the club at the Local Council of Women in place of Mrs. J. H. Frink, resigned.

The executive heard a report on the work of the club in connection with the War Gardens Movement, in which the ladies under leadership of Mrs. H. A. Powell, are looking after Duke's ward so far as distribution of cards and other literature is concerned.

A resolution was passed expressing sympathy with the proposed centennial celebration in honor of Sir Leonard Tilley and advising that the club was prepared to co-operate in the celebration.

For the correspondence committee, Mrs. J. R. Vanwart reported that correspondence was being continued with wounded New Brunswick soldiers and that many ladies of the committee had regular correspondents.

Mrs. Richard O'Brien, for the prisoners of war fund, reported that a balance of \$96 was on hand. A bid present generously swelled the total to \$100, and it was decided to forward the amount at once through the Red Cross. Mrs. O'Brien further reported that Dr. Likely, New York, son of Mr. Joseph A. Likely, contributed \$5 per month regularly to the fund; that the choir boys of Trinity church had contributed \$20, the Y. W. P. A. \$15, and the Mrs. Sherman Peters Circle, Gagetown, was giving \$5 per month.

The happiest outcome of Mr. Winthrop Ames' visit to Paris was the discovery that Maeterlinck has written a sequel to "The Blue Bird," which follows the fortunes of the boy, Tyltyl, as youth. The play bears the title, "Les Fiancailles," and Mr. Ames will produce the piece in New York next autumn. Whether it is as fanciful and ornate as "The Blue Bird" does not yet appear.

ENTERTAINMENT HELD
BY PHILATHEA CLASS

Large Audience Enjoy Varied Programme at Germain St. Baptist Institute Last Evening.

There are few societies which are more energetic than the Philathea Class of the Germain Street Baptist Church, and their efforts in behalf of the soldiers and sailors will long be remembered. Miss Kathleen Amos is president of this society. Last evening they held in the Germain Street Institute a very successful entertainment both from the point of view of the numbers attending and also in the pleasure given those who attended.

The programme, which was in charge of Miss Maud Esterbrooks, was both musical and dramatic, there being two short sketches given, both of which were clever and amusing.

"The Servants' Parliament" was a skit on the servant question and "Not on the Programme" was a bright little comedy of misunderstandings.

Those taking part in the first were Misses Beatrice Fleet, Louise Alward, Kate Dinsart, Mabel Dalton, Muriel Denham, Bernice Hatfield, Harriet Alward.

Two most enjoyable selections were rendered by Miss Hilda Galley whose voice was heard to advantage in Love's Garden of Roses by Hayden, and Lullaby in Khaki, by Novello.

A number of instrumental selections were given by the Misses Hawker who were obliged to respond to several encores.

A piano duet by Miss Blisset and Miss Metton was much appreciated. The proceeds are for patriotic purposes.

With Fingers!
Corns Lift Off

Doesn't hurt a bit to lift any corn or callus right off. Try it!

For a few cents you can get a small bottle of the magic drug freezone recently discovered by a Cincinnati man.

Just ask at any drug store for a small bottle of freezone. Apply a few drops upon a tender, itching corn or callus and instantly all soreness disappears and shortly you will find the corn or callus so loose that you lift it off with the fingers.

Just think! Not one bit of pain before applying freezone or afterwards. It doesn't even irritate the surrounding skin.

Hard corns, soft corns or corns between the toes, also hardened calluses on bottom of feet, shrivel up and fall off without hurting a particle. It is almost magical.

Ladies! Keep a tiny bottle on the dresser and never let a corn or callus ache twice.

SEBASTIAN F. SPROULE.

Sergeant F. Sproule was in the city yesterday. Sergeant Sproule was a member of a Western unit in the early war and saw 17 months' service in France. Whilst there he received a bad wound in the left breast and right ankle. He spent near six months in an hospital in England and then went home. He is now attached to a unit in Halifax.

APPOINTED PREACHER.

Rev. Canon Armstrong of Trinity church, has been appointed preacher at the annual service in Christ Church, Windsor, in connection with the encana proceedings of the University of King's College on May 2.

OPERA HOUSE.

A very good programme indeed, I would say in writing about the Opera House this week. There is novelty, variety and skill shown in the various numbers and there is something that will interest anyone who attends.

Perhaps not understanding much about boxing, the act entitled Vim, Beauty and Health interested me most. This is a trio, two men and a woman who certainly deserve the titles given to them on the programme. They do many wonderful feats, all three, some pyramid work being splendid, and the stunts done on the swinging rings were well applauded and deservedly so. At one time one of the men used his arm for the trapeze and the other two did their balancing upon it. The lady was just as clever as the men and very graceful. The finale of the act is marvellous, and as good a bit of acrobatic work as has been seen here.

The little lad introduced at the close is evidently being brought up in the way he should go. He does splendidly.

The Boxing Kangaroo deserves a whole paragraph to himself. The Gordon Brothers first give an exhibition of boxing, using a punch bag in many different ways. Then a realistic ring is arranged and the Kangaroo enters and takes his own part with both fists and feet. No Marquis of Queensbury rules for him, he hits as he feels. This is a good act and one that will please large audiences throughout the week no doubt.

"Fun at the Inn" is the title of the next number on the bill for which Fred and Annie Pelot are responsible, and may be safely left in their hands. (If you have seen the act you will get the true inwardness of that last). If you were not there you'd better go and see this funny pair of jugglers who made a great hit on Friday evening. They are amusing and it is a nice clean act throughout.

NO MOVIES ON SUNDAYS.

Sherbrooke, Que., April 26.—By a judgment of the court today the moving picture houses will have to close on Sundays. Two proprietors pleaded guilty and were fined \$20 each to the charge laid by the Lord's Day Alliance.

CONSERVATION.

"Take up the fragments, let there be no waste." Thus Jesus spoke when thousands had been fed. With two small fishes, and five loaves of bread.

"What needless thrift!" they marvelled, but retraced Their steps at his behest, made eager haste To bring twelve basketsful, yea, every shingle.

Yet murmured, "Provident to leave and spread, That each wild creature, bird or beast might taste."

The Master had some higher use for them. He saves, and keeps, and cares for little things; He sorts and tests what pretty souls condemn. He speaks, and lo! a feast is laid for kings. With scraps and shards He forms a diadem And fashions cast-off pinions into wings. —Alice M. Shepard, in the Boston Transcript.
