SHORT OF BREATH Could Hardly Walk Without Resting.

When you go to a physician to be examined for any heart trouble one of the first questions he asks is: "Are you short of breath?" Now, when the heart becomes affected, there ensues a feeling of a choking sensation, a shortness of breath, palpitation, throbbing, irregular beating, smothering sensation, dizziness and a weak sinking, all-gone feeling of oppression and anxiety.

On the first sign of the heart becoming weakened or the nervous unstrung Milburn's Heart and Nerve Pills are just the remedy you require. They regulate and stimulate the heart, and strengthen and restore the whole nervous system.

Mr. Stephen Crouse, East Clifford, N. S., writes: "I suffered for five years with heart trouble. I could hardly walk from the house to the barn without resting, as I used to get so short of breath. Doctors could not help me. My wife told me to get a box of Milburn's Heart and Nerve Pills and I felt better after taking them; three boxes made me quite well. I am now helping my son to work on the farm, and can truthfully say I feel like a different man."

Price 50c, a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

"A well dressed woman fills the room with poetic sense, like the perfume of flowers."

LIFT OFF CORNS WITH FINGERS

Doesn't hurt a bit and costs only few cents

Doesn't hurt a bit! Drop a Freezone on an aching corn, instead that corn stops burning, then you're right out. Yes, making a Freezone cost a few cents at any drug store, sufficient to remove every hard soft corn, or corn between toes, and the callus, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wond-
