NO MORE PRESERVING AT HOME!

Just think of the worry and expense saved in not having to preserve your fruit at home. You can avoid preserving if you want to—just as thousands of other women are doing.

The modern woman shuts up her home for the summer and leaves the preserving to be done in the large,

clean kitchens of E. D. Smith.

The fruit is picked, preserved and packed all in the same day, and besides, there is such an abundance of it around Winona that nothing but fresh, ripe fruit is used! If you have never tasted E.D.S. preserves send ten cents for a sample bottle of your favorite fruit. The money just covers the cost of mailing it, and the fruit is given free.

All of our products are marked ___It is a guarantee of high quality.

Floorglaze makes Old Floors like New

loorglaze Made Specially for Floors or Furniture

Floorglaze gives a finish to a floor like polished surface. It wears better than a painted floor. It is more sanitary than a carpeted floor, and it is the most economical floor covering in existence.

Sold in large or small easily-opened tins

Floorglaze is not a paint

—it is an enamel that can be washed clean with soap

and water. A painted floor has a porous surface

to catch the dust and make

it impossible to be thoro-

ughly cleaned.

Floorglaze dries over night

PLENTY OF COLORS TO CHOOSE FROM

ENAMEL COLORS-Light Yellow, Medium Yellow, Deep Yellow, Golden Brown, Carmine, Maroon, Dark Drab, Flat White, Gloss White, Flat Black, Gloss Black, Wine Color, Dust Color, Olive Green, Deep Creen, Pearl Grey and Light Drab.

LAC COLORS-Light Oak, Dark Oak, Cherry, Mahogany, Walnut, Rosewood, Bog Green, Ox Blood, Transparent, Ground Color.

The ENAMEL Colors give a solid opaque surface, with a bright and lasting gloss, excepting Flat White and Flat Black which dry without a gloss.

The Lac Colors have a finish like the finest varnish, but much more durable, and are transparent—that is, the grain of the wood can be seen through the color. It cannot be seen when Floorglaze Enamel Colors are used.

Transparent Lac Colors are intended for use on floors or anything requiring a highlyglossed natural finish-supplies the place of varnish but looks better and lasts longer.

If you want to learn about the cleanest, best wearing and cheapest floor covering in existence, send to us for our new booklet printed in colors—it contains a color card and is FREE if you mention this paper. SEND A CARD FOR IT TO-DAY.
