## Swim Meet

On Saturday afternoon in the University Pool starting at 4 o'clock, The University of New Brunswick Beavers swimming team will meet last year's St. Lawrence Valley Swimming Champions, College Militaire Royale from Saint Johns, Quebec. This is the second time in Varsity Coach Amby Legere's thirteen year history with the team that they will swim against competition from outside the Maritime Provinces. On the first occasion, last February, the Beavers ventured to Montreal where they trounced Sir George Williams College 68-52. At present, Legere is not committing the team by any predictions on the out-come of the meet, although he promises a hard fought battle. Who will hit the water in this first meet of the college year is still a mystery as Legere has not picked the Varsity team. He has been conducting time trials all week and such a man as Captain Dave Sanger from Boston Mass., holder of two Maritime records is a certain choice for this meet. Other likely prospects to swim against CMR are: Wayne Barry from Beaver Harbour, a

second year man; Albert Bene, a native of Budapest, Hungary, a two year man; Dave Graham from Fort Erie, Ontario, a three season veteran; Steve Jones from Hamilton, Ontario, an experienced competitor; Glen Murray from Montreal in his first stint with the Beavers; Keith Cameron from Halifax; Roger Cattle from Fredericton, a two year man; Jim Hayden of Saint John, first year on the squad; Ken Mander from Montreal in his first year; and to round out the team in diving, Dale Milton from Hillsborough, N.B. Should UNB win this meet, it will add yet another feather to Coach Amby Legere's plumed hat.

All officials taking part in this swim meet are asked to check the bulletin board in the Physical Education department for their designated times. Please be on-time.

# RED DEVILS OPEN SEASON

## CMR FIRST COMPETITION

The UNB Red Devils get their first actual taste of competition Saturday evening as they play host to the powerful College Militaire Royale from St. Jean, Quebec.

The Devils' Squad has almost been completely picked and six new faces will appear on the Varsity roster for the first time Saturday evening. Coach Kelly has nine returnees with only one complete forward line from last year intact and one complete set of defencemen. The line is composed of Soward, McLellan and Jarrett. Centre Currie McCarthy is looking for two new wingers while regular wingers, Dave Beardsley and Don Morrow are looking for a centre man. Back on the point position Kelly has Galen Parent and John Sears who worked well together for the past two seasons. Veteran Hedley Savoy is seeking a helper to slow

up the opposition as his last year cohort is ineligible. Added to this, Coach Kelly will be adding a fifth defenceman and a probable extra forward. No release has yet been made as to who will tend the net chores or actually be picked for the open positions.

There will be at least seven new faces and these will have to be picked from thirty hard-skating hopefuls Friday night.

The CMR squad to date has won all their exhibition games, including one against the McGill team. This should prove to be a close, tough contest and UNB students will likely be in for many thrills. Game time will be 8 p.m.

## HOCKEY BRIEFS

The New Brunswick Central Senior Hockey League will open for the Red Devils on Dec. 11th when they meet the Fredericton Capitals. The Devils will only play a total of ten games in this league and they will be of four point value to the team. If UNB wins a game, they will receive four points, while their opponents will receive two points if they win. The scoring in these games will consist of two points for a goal and the same for an assist. This only applies for UNB players. Other teams in this league are the Fredericton Capitals, Devon Tigers and the Woodstock Legionaires. The N.B.-P.E.I. Intercollegiate League will open for the Devils on Dec. 5th, when they will meet the Saint Thomas Tommies in the Lady Beaverbrook Rink.

## Raiders Meet Hubs

The UNB Red Raiders continue their regular schedule as they meet the basket-hoopers from Moncton tonight.

Last week the Raiders were defeated by a strong aggregation from Maine. Coach Don Nelson said he was very pleased with the performance of the team but they were outthrustled in the last minutes of play. With five minutes of play remaining the Raiders had 54 points and at the end of the game finished with 58 points.

The team has been working out every evening and their condition has improved considerably over the last week. Coach Nelson also said he is working with a swell bunch of boys and the freshmen are living up to his expectations.

The team is eager and anxious to get started on the winning road. If the players feel this way, you can't help but have a winning club. Game time against the Hubs is 8.30.

Prior to the Varsity tit the Jr. Varsity squad will play host to the Saint John Rotary. If last week is any indication of what the J.V.'s are capable of doing, they are in for a terrific season and, who knows, may even be called upon by Coach Nelson for support should any of his Varsity regulars be sidelined or injured. This game will get underway at 7.00 p.m. —TOMMIE JARRETT
